Miller,2018-12-04 An indispensable companion for an incredible journey newly updated and in color The Inside Passage is something of a holy grail for contemporary sea kayakers It is without question the most scenic and challenging paddling trip

in North America Revised with route updates map improvements and stunning color photography Kayaking the Inside Passage will aid kayakers in planning paddling trips on the rugged Pacific artery that runs along the western edge of North America Robert Miller has traversed these waters for decades and created this inimitable guide to kayaking the entire 1 300 mile length of the Inside Passage along one select route with some alternate variations No other paddling guide covers the entire length of the Inside Passage Miller includes complete historical and natural background along with proficiency and equipment recommendations Paddlers will get the most out of their experience with the advice and hard won insight of a seasoned veteran *Wires in the Wilderness* Bill Miller, 2004 This is the tale of how Canada's high northern wilderness was brought into civilization's fold through a frail network of wires laboriously strung between poles and trees for hundreds of desolate miles The Yukon Telegraph started in 1897 when gold was discovered in the Yukon and the government needed a faster way to communicate with its remote northern territory The isolated residents too wanted a more reliable connection with the outside world Bill Miller takes readers from the line's conception in 1899 to its abandonment in 1952 through to its status today and its potential for future generations focusing on the colourful people who lived and worked in the area His account enhanced by extensive research and engaging storytelling reveals a fascinating fragment of Canada's rich history
