Key Correctional Issues 2nd Edition:

Key Correctional Issues Roslyn Muraskin, 2010 This concise book discusses a broad range of correctional issues and explores them using an engaging text reader format Ranging from super max facilities to inmate reentry its precise coverage explains the interactions that exist in the area of correctional facilities from both a historical and a twenty first century view This new edition offers over ten new essays and features compelling contributions from leaders in the field Selections cover various topics such as suicide religion technocorrections the death penalty women and minority prisoners alternatives to incarceration and more For individuals interested in or pursuing a career in corrections Key Correctional Issues Roslyn Muraskin, 2004-08-24 Offender Rehabilitation Issues Charles B.A. Ubah, 2023-09-30 Most of the studies that discuss offender rehabilitation focus on the debate over whether prison based education programs work ignoring the important issues that these programs undertake Using a critical approach Offender Rehabilitation Issues Critical Lessons for Criminology Criminal Justice and Public Policy fills the gap by highlighting the offender rehabilitation programs that continue to divide scholars policy makers correctional practitioners students and the public This book demonstrates and reaffirms that offender rehabilitation programs and recidivism rates are important and critical social issues that do not exist in a vacuum are complex interacting social processes and issues with broader social economic legal and political environmental forces and pressures **Routledge Handbook on Offenders with Special Needs** Kimberly D. Dodson, 2018-05-11 Current estimates indicate that approximately 2.2 million people are incarcerated in federal state and local correctional facilities across the United States There are another 5 million under community correctional supervision Many of these individuals fall into the classification of special needs or special populations e.g. women juveniles substance abusers mentally ill aging chronically or terminally ill offenders Medical care and treatment costs represent the largest portion of correctional budgets and estimates suggest that these costs will continue to rise In the community probation and parole officers are responsible for helping special needs offenders find appropriate treatment resources Therefore it is important to understand the needs of these special populations and how to effectively care for and address their individual concerns The Routledge Handbook of Offenders with Special Needs is an in depth examination of offenders with special needs such as those who are learning challenged developmentally disabled and mentally ill as well as substance abusers sex offenders women juveniles and chronically and terminally ill offenders Areas that previously have been unexamined or examined in a limited way are explored For example this text carefully examines the treatment of gay lesbian bisexual and transgender offenders and racial and gender disparities in health care delivery as well as pregnancy and parenthood behind bars homelessness and the incarceration of veterans and immigrants In addition the book presents legal and management issues related to the treatment and rehabilitation of special populations in prisons jails and the community including police citizen interactions diversion through specialty courts obstacles and challenges related to reentry and reintegration and the need for the

development and implementation of evidence based criminal justice policies and practices This is a key collection for students taking courses in prisons penology criminal justice criminology and related areas of study and an essential resource for academics and practitioners working with offenders with special needs Correctional Counseling Key Sun,2008
