you have always had questions about the creation evolution debate the claims of YECism and the way Genesis 1 11 should be interpreted The Heresy of Ham is a tremendous resource for anyone struggling coming to grips with these issues

Righting America at the Creation Museum Susan L. Trollinger, William Vance Trollinger Jr., 2016-05-15 What does the popularity of the Creation Museum tell us about the appeal of the Christian right On May 28 2007 the Creation Museum opened in Petersburg Kentucky Aimed at scientifically demonstrating that the universe was created less than ten thousand years ago by a Judeo Christian god the museum is hugely popular attracting millions of visitors over the past eight years Surrounded by themed topiary gardens and a petting zoo with camel rides the site conjures up images of a religious Disneyland Inside visitors are met by dinosaurs at every turn and by a replica of the Garden of Eden that features the Tree of Life the serpent and Adam and Eve In *Righting America at the Creation Museum* Susan L. Trollinger and William Vance Trollinger Jr take readers on a fascinating tour of the museum The Trollingers vividly describe and analyze its vast array of exhibits placards dioramas and videos from the Culture in Crisis Room where videos depict sinful characters watching pornography or considering abortion to the Natural Selection Room where placards argue that natural selection doesn't lead to evolution The book also traces the rise of creationism and the history of fundamentalism in America This compelling book reveals that the Creation Museum is a remarkably complex phenomenon at once a natural history museum at odds with contemporary science an extended brief for the Bible as the literally true and errorless word of God and a powerful and unflinching argument on behalf of the Christian right

and those to follow **Atheism, Fundamentalism and the Protestant Reformation** Liam Jerrold Fraser, 2018-07-19 In this study of new atheism and religious fundamentalism this book advances two provocative and surprising arguments Liam Jerrold Fraser argues that atheism and Protestant fundamentalism in Britain and America share a common historical origin in the English Reformation and the crisis of authority inaugurated by the Reformers This common origin generated two presuppositions crucial for both movements a literalist understanding of scripture and a disruptive understanding of divine activity in nature Through an analysis of contemporary new atheist and Protestant fundamentalist texts Fraser shows that these presuppositions continue to structure both groups and support a range of shared biblical scientific and theological beliefs Their common historical and intellectual structure ensures that new atheism and Protestant fundamentalism while on the surface irreconcilably opposed share a secret sympathy with one another yet one which leaves them unstable inconsistent and unsustainable **The Complete Creation Museum Adventure** Ken Ham, 2008 The second book in the best selling Complete Adventure series is designed by the creative folks at Answers in Genesis This unique field trip in a book focuses on the exciting new Creation Museum just 7 miles west of the Cincinnati Northern Kentucky International Airport Visitors explore dinosaur exhibits video theaters a petting zoo a state of the art planetarium and much more **Christian Home Educators' Curriculum Manual** Cathy Duffy, 1997-11 **Great Tours!** Barbara Abramoff Levy, Sandra Mackenzie Lloyd, Susan Porter Schreiber, 2002-02-07 Creating tours that are interesting and educational for visitors and guides is a challenge every historic site faces Great Tours helps you focus clearly on the material culture and significance of your site and then shows you how to use that focus to train and energize your guides You will be able to move your tours to a fresh new level that is engaging and educational for visitors of all ages and abilities Readings and workshop activities frame the process throughout and allow you to develop what is most appropriate for your site while working to strike a realistic balance between ideals and every day reality Great Tours offers a unique combination of theoretical guidance and practical activities supplemented by reproducible forms and a bibliography and index that make it an invaluable resource for anyone involved with planning tours and training guides Published in cooperation with the National Trust for Historic Preservation Visit their web page **Journey** L. Keith Hale, 2018-05-03 The original American foundation is on the verge of collapse Each decade forward from the 1960s has allowed another element of moral decay to erode the societys infrastructure Satan is successfully unraveling the moral fabric of this nation and the church with his hostilities aimed especially at Christianity Is there anything we can do to fortify our nation and our church defending it against these attacks In Journey From a Foreign Land to a Promised Paradise author and minister L Keith Hale reveals Satans ideals and the veil of deceit sold to the American public as a progressive ideology Each one of these ideals is moving an ancient stone set by Gods Word and an in depth examination of the issues can unveil Satans motivations and actions giving Christians an understanding of the multifaceted cultural shift happening in America Yet because the providential hand of God aided in this nations inception we can look to this godly

foundation for a way to once again restore the Christian conscience in America Every American and every Christian should examine the dream of liberty and the truths on which in the past we have stood firm In so doing we will heed the divinely inspired wisdom of the Proverbs Do not move an ancient boundary stone set up by your forefathers 22 28
