Asking for a Raise Mission 11 Being Nominated for an Award Mission 12 Resigning *Bible Study Lab* Chris Helterbrand, 2024-03-05 Bible Study Lab offers a refreshing approach to studying Scripture that engages people in a thrilling and impactful journey through the text's original meaning and its modern applications. The Bible is a historically accurate piece of literature composed of many genres with each directed to people who lived thousands of years ago. Thus, while the Bible has been written for modern Christians, it was not written to them. This notion suggests that we must change our perspective of study and consider the question: what did this passage mean to the original reader? The author refers to this question as The Basic Question of Bible study. Presented in a four-step process, Bible Study Lab supplies everyone with the capability to ponder and respond to The Basic Question and discover meaningful ways to apply its wisdom in their own life. Those who use this method to enrich their studies will watch the Bible transform from a book they're supposed to read into the book they cannot put down.
