Key Issues In Language Teaching:

Key Issues in Language Teaching Jack C. Richards, 2015-09-17 TESOL ESL Teaching *A Glance of Fundamental Issues in Language Education* Taufiq Effendi , 2021-02-22 The book *A glance of fundamental issues in Language Education* will certainly give a positive contribution to the contemporary scholarship As a professor at the Faculty of Languages and Arts Universitas Negeri Jakarta I am positive that the discussions in this book provide the readers with some prominent contemporary development in Language Education The book resonates and foregrounds what happens in language classrooms in modern societies Finally I do believe that students of language teaching language teachers or anyone interested in the discipline will find this book valuable *Key Questions in Language Teaching* Alessandro G. Benati, 2020-02-20 Innovative and evidence based this introduction to the main concepts and issues in language teaching uses a key questions structure enabling the reader to understand how these questions have been addressed by researchers previously and how the findings inform language teaching practices Grounded in research theory and empirical evidence the textbook provides students practitioners and teachers with a complete introductory course in language teaching Written in a clear and user friendly style and avoiding use of jargon the book draws upon real life teaching experiences and scenarios to provide practical advice A glossary of key terms questions for discussion and further reading suggestions are included The book is perfectly suited to language teaching modules on English language TESOL and applied linguistics courses *Key Issues in English for Specific Purposes in Higher Education* Yasemin Kırkgöz, Kenan Dikilitaş, 2018-01-08 This volume offers research based studies on English for Specific Purposes in higher education from across the world By drawing on international studies the book brings together diverse ESP practices and aspects of relevant issues in the development of ESP programs teachers and learners in a coherent fashion There is a growing need for undergraduate students to develop their proficiency of ESP skills and knowledge in the increasingly globalized world Knowledge of ESP is an important factor in subject matter learning by students and also closely related to the performance of university graduates in the relevant sectors Careful planning and efficient implementation are essential to ensure the quality of the language learning process For a variety of reasons it proves difficult to maintain ESP instruction in higher education These reasons include the incompetence of teachers lack of materials for that specific context as well as lack of opportunities for ESP teachers to develop their skills The chapters in this book taken from a wide variety of countries shed light on the diversity of current practices and issues surrounding ESP Fundamental Concepts of Language Teaching H. H. Stern, 1983-03-24 Professor Stern puts applied linguistics research into its historical and interdisciplinary perspective He gives an authoritative survey of past developments worldwide and establishes a set of guidelines for the future There are six parts Clearing the Ground Historical Perspectives Concepts of Language Concepts of Society Concepts of Language Learning and Concepts of Language Teaching **The Cambridge Guide to Pedagogy and Practice in Second Language Teaching** Jack C.

Richards, Anne Burns, 2012-01-31 This collection of original articles provides an overview of key issues and approaches in contemporary language teaching *The Cambridge Guide to Learning English as a Second Language* Anne Burns, Jack C. Richards, 2018-03-15 This volume provides an up to date and comprehensive coverage of second language learning The focus throughout the book is primarily on language learning but each chapter also discusses the implications for teaching and assessment thus informing both understanding and practice The book contains nine sections which aim to organise and reflect different dimensions of the diverse and complex scope of learning English as a second or additional language Four themes which permeate the chapters are learning and learners learning and language learning and language development learning and learning context The 36 chapters are up to date and authoritative written by experts in the field The content is accessibly written with questions for discussion and follow up reading suggestions provided *Key Issues in Chinese as a Second Language Research* Istvan Kecskes, Chaofen Sun, 2017-06-26 Key Issues in Chinese as a Second Language Research presents and discusses research projects that serve as theoretical grounding for improving the teaching and learning of Chinese as a second language CSL in order to help researchers and practitioners better understand the acquisition development and use of CSL With the exception of the first chapter which is state of the art each chapter makes an attempt to bring together theory and practice by focusing on theory building and theory application in practice The book is organized around areas where most future research is needed in CSL phonology semantics grammar and pragmatics Consisting of contributions from an international group of scholars working on cutting edge research this is the ideal text for researchers graduate students and practitioners in the area of Chinese as a second or foreign language *Key Issues in Language Teaching* Jack C. Richards, 2015 A comprehensive and extensively researched overview of key issues in language teaching today This very readable and practical book will be useful to many teachers whether trainee novice or experienced in a variety of contexts It provides a set of 100 hands on tips on 19 different areas of classroom teaching including areas such as using a coursebook giving and checking homework classroom discipline testing and assessment The clear and concise advice is presented in an informal style and accompanied by brief explanatory notes based on the author's own teaching experience *Teacher Education for Global Englishes Language Teaching* Denchai Prabjandee, 2024-12-12 This book presents a model of transformative empowering and critically oriented language teacher education to prepare English teachers to implement Global Englishes Language Teaching GELT GELT's importance to learners needs for communication in the globalized world means that it receives tremendous interest from language teacher educators worldwide underlining the risks posed by gaps in teachers knowledge of how to implement it This book fills in those gaps with accessible theoretical foundations and practical examples drawn from the successful work of the M Ed in Teaching English as a Global Language TEGL at Burapha University Thailand Through critically oriented frameworks the TEGL program equips in service English teachers with a critical lens to examine their current practices challenge the sociocultural and educational backgrounds that teachers bring

into teacher education and empower them in transforming their classroom practices to correspond with the GELT paradigm. The book highlights how the global spread of English impacts language teacher education, discusses the theoretical foundations underlying the design of teacher education for GELT, addresses the knowledge base for preparing teachers to use GELT, and examines the applications of teacher education for GELT. It is vital reading for graduate students, teacher educators, and researchers in language teacher education and beyond.

Debates in Second Language Education Ernesto Macaro, Robert Woore, 2021-11-29. *Debates in Second Language Education* provides an up-to-date account of the key debates and areas of controversy in the field of second language learning and teaching. Adopting a broad and comparative perspective and emphasising the importance of considering a variety of learning contexts, it encourages students and practising teachers to engage with contemporary issues and developments in learning and teaching. Chapters are designed to stimulate thinking and understanding in relation to theory and practice and help language educators to make informed judgements by arguing from a position based on theoretical knowledge and understanding. Bringing together leading contributors in the field, the book discusses a wide range of issues relating to second language learning and teaching, including the relationship between age and success in language learning, aptitude versus motivation as predictors of successful language learning, linguistic diversity and plurilingualism, the teaching of grammar and vocabulary, the value of phonics, learning pronunciation, the second language only versus the multilingual debate. With reflective points in every chapter, *Debates in Second Language Education* will be a valuable resource for any student or practising teacher as well as for those engaged in initial teacher education, continuing professional development, or Master's level study. It will also be of interest to second language acquisition researchers and those studying applied linguistics.

Handbook for Arabic Language Teaching Professionals in the 21st Century, Volume II Kassem M. Wahba, Liz England, Zeinab A. Taha, 2017-07-06. Drawing on the collective expertise of language scholars and educators in a variety of subdisciplines, the *Handbook for Arabic Language Teaching Professionals in the 21st Century, Volume II* provides a comprehensive treatment of teaching and research in Arabic as a second and foreign language worldwide. Keeping a balance among theory, research, and practice, the content is organized around 12 themes: Trends and Recent Issues in Teaching and Learning Arabic; Social, Political, and Educational Contexts of Arabic Language Teaching and Learning; Identifying Core Issues in Practice; Language Variation; Communicative Competence and Using Frames in Arabic Language Teaching and Learning; Arabic Programs: Goals, Design, and Curriculum; Teaching and Learning Approaches; Content-Based Instruction and Curriculum; Arabic Teaching and Learning Classroom Language Materials and Language Corpora; Assessment, Testing, and Evaluation; Methodology of Teaching Arabic; Skills and Components; Teacher Education and Professional Development; Technology-Mediated Teaching and Learning; Future Directions. The field faces new challenges since the publication of Volume I, including increasing and diverse demands, motives, and needs for learning Arabic across various contexts of use, a need for accountability, and academic research given the growing recognition of the

complexity and diverse contexts of teaching Arabic and an increasing shortage of and need for quality of instruction Volume II addresses these challenges It is designed to generate a dialogue continued from Volume I among professionals in the field leading to improved practice and to facilitate interactions not only among individuals but also among educational institutions within a single country and across different countries Educating Second Language Teachers Donald Freeman, 2016-09-27 Donald Freeman examines how core ideas and practices in educating second language teachers relate to and differ from teacher education in other content areas He weaves together research in general and second language teacher education with accounts of experience and practice to examine how background knowledge is defined in language teaching Throughout Freeman demonstrates how understanding the processes of teacher learning knowing thinking and reflecting are the same things done differently in second language teacher education Educating Second Language Teachers reconsiders pre and in service teacher education and proposes a detailed comprehensive design theory for teacher education A masterful account of the landscape of second language teacher education and the development of its theoretical assumptions and practices It offers a unique and original conceptualization of the field and will be an invaluable resource for teachers teacher educators and researchers Jack C Richards University of Sydney and University of Auckland Additional online resources are available at www.oup.com/elt/teacher/eslt Donald Freeman is Associate Professor of Education at the University of Michigan Oxford Applied Linguistics Series Advisers Anne Burns and Diane Larsen Freeman The Routledge Handbook of English Language Teaching Graham Hall, 2016-05-12 The Routledge Handbook of English Language Teaching is the definitive reference volume for postgraduate and advanced undergraduate students of Applied Linguistics ELT TESOL and Language Teacher Education and for ELT professionals engaged in in service teacher development and or undertaking academic study Progressing from broader contextual issues to a narrower focus on classrooms and classroom discourse the volume's inter related themes focus on ELT in the world contexts and goals planning and organising ELT curriculum resources and settings methods and methodology perspectives and practices second language learning and learners teaching language knowledge skills and pedagogy understanding the language classroom The Handbook's 39 chapters are written by leading figures in ELT from around the world Mindful of the diverse pedagogical institutional and social contexts for ELT they convincingly present the key issues areas of debate and dispute and likely future developments in ELT from an applied linguistics perspective Throughout the volume readers are encouraged to develop their own thinking and practice in contextually appropriate ways assisted by discussion questions and suggestions for further reading that accompany every chapter Advisory board Guy Cook Diane Larsen Freeman Amy Tsui and Steve Walsh **Handbook of Research in Second Language Teaching and Learning** Eli Hinkel, 2011-01-25 This landmark volume provides a broad based comprehensive state of the art overview of current knowledge and research into second language teaching and learning All authors are leading authorities in their areas of expertise The chapters all completely new for Volume 2 are organized in eight thematic
