

Glory Movie Questions

1. How does the attitude of Colonel Robert Quick (Moses) toward African-Americans change and why?

Quick's attitude toward African-Americans changes over the course of the movie. At first, he is a racist and sees them as inferior. However, as he spends more time with them, he begins to see them as individuals and as brave soldiers. This change is reflected in his decision to let them fight in the Battle of Fort Mifflin.

2. What differences exist among the black soldiers who make up the 54th Massachusetts Volunteer Infantry? What does this tell you about the different experiences of blacks in 19th-century America? Think about their regions of origin, former status (enslaved), and educational background.

The 54th Massachusetts Volunteer Infantry is a regiment made up of African-American soldiers. The soldiers come from different backgrounds and have different experiences. Some were enslaved, while others were free. Some were educated, while others were not. This diversity is reflected in the way they fight and in the way they interact with each other.

3. What attitudes did white soldiers have about the 54th? Did these attitudes change and why?

At first, the white soldiers in the 54th look down on the black soldiers. They see them as inferior and as less capable. However, as they see the black soldiers in action, their attitudes begin to change. They realize that the black soldiers are brave and capable, and they begin to respect them.

4. Were blacks treated equally to whites in the Union army? Explain.

No, blacks were not treated equally to whites in the Union army. They were paid less than whites, they were given less food and shelter, and they were often treated with disrespect. However, they were given the same training and the same opportunities to prove themselves in battle.

5. What is significant about Colonel Quick's decision to allow his men to fight?

Colonel Quick's decision to allow his men to fight is significant because it shows that he has changed his attitude toward African-Americans. He now sees them as brave and capable soldiers, and he is willing to let them fight for their country.

6. Did that incident end as you expected? What feelings or thoughts come over you last night?

The incident ended as I expected. The 54th Massachusetts Volunteer Infantry fought bravely and won the battle. This was a significant victory for African-Americans, and it showed that they were capable of fighting for their country. I feel proud of the 54th and of the brave soldiers who fought in the battle.
