Rick Stein's Spain Rick Stein, 2011-10-31. I've wanted to make a series in Spain for a long time. I love Spanish food. I've been going there since I was a young boy, but until quite recently, I don't think people really took the food seriously. Thanks to a handful of really dedicated Spanish chefs and a growing enthusiasm for its rugged flavours, that has all begun to change. To me, the underlying point of journeying to Spain would be to discover the *duende* in the cooking. By that, I mean a sense of soul, of authenticity. The word is normally used in flamenco, but I think it could be equally applied to the art of Spanish cooking, because to my mind, in really good food, there is a communication between the cook and diner that amounts to art. Rick Stein.

In his beautifully designed and illustrated cookbook to accompany a major BBC2 4 part series Rick has selected over 140 recipes that capture the authentic taste of Spain today Spain is a country that tantalises every sense with its colourful sights evocative music vibrant traditions and bold cookery Spanish cooking has a rich history with flavours reflecting a broad range of cultural influences Rick samples his way through the specialties and hidden treats of each region taking in the changing landscape from the mountainous northern regions through the Spanish plains to Mediterranean beaches With over 100 Spanish recipes and location photographs this is an essential cookbook for food lovers as well as a stunning culinary guide to a diverse country

Forward Do you own a whole row of cookbook and yet you do not know what to cook I found myself in this situation a few years ago I was seriously ill and on a very restrictive diet I was allergic to most foods and all chemicals I went through an impressive row of my cookbooks but found only a few recipes in each cookbook that I could use Why store something I did not need I took my scissors and went to work I cut out few recipes from each book which could modified for for my diet Except for my cookbook Roister Blanka's Bohemian Recipe Collection which I made earlier the rest were discarded For wheat I substituted healthy kamut barely amaranth quinoa millet buckwheat and rice I have replaced cow's milk products with goat's milk products No mad goat's disease yet For sweeteners I used maple syrup and honey For meats I used fish and lamb I found substitutes for eggs and baking powder My second cookbook for the sick times was born Why was I together
