God In Three Persons Biblical Testimony To The Trinity:

God in Three Persons Allen Vander Pol, 2001 All who embrace historic orthodox Christianity affirm the doctrine of God's triunity But how many Christians can articulate this central and fundamental article of faith especially when cultists attack it as unbiblical Allen Vander Pol has developed a concise and lucid introduction to the Trinity After making clear the doctrine's essential nature he demonstrates that while the term Trinity does not appear in Scripture the concept does He concludes with a chapter on objections to trinitarianism especially those mounted by the cults *The Trinity* Hans Schwarz, 2017-09-15 In the last thirty years books on the Trinity have abounded There seems to be a fascination with this mysterious topic especially among systematic theologians The topic has been mined for many different interests from liberation theology to feminist interpretations of the Christian heritage and from neo Reformation theology to interreligious dialogue This book has no intention of adding to the plethora of treatises on the Trinity The main question with which it is concerned is what is really scripturally tenable with regard to the Trinity and what is unwarranted theological construction or even speculation Through this question Schwarz tries to discern whether the theological assertions made about the Trinity are in line with the biblical base from which they are derived or whether they have veered off in a more or less questionable direction What takes shape here is a story how the doctrine of the Trinity developed over the subsequent centuries from the traces in Scripture to a centralized dogma at the heart of Christian teaching We witness in this an evolution from proclamation to controversy to speculation What are we to make of this doctrine How do we articulate the biblical faith today **The Trinity and the Bible** J. Alexander Rutherford, 2022-10-14 To write on the Trinity is to enter a minefield of presuppositions presuppositions of theology exegesis grammar logic philosophy etc However at the heart of God's self-revelation in the Bible is God's triunity that God is three Father Son and Holy Spirit Confessional Christians would identify this claim that God is Triune as a necessary condition of true Christian faith To be Christian is to follow Christ who is the 2nd person of the Trinity Yet does following this Christ mean following the 2nd hypostasis who is eternally begotten of the Father sharing with him his ousia That is a more difficult question isn't it Indeed many faithful men and women in my life could not make heads or tails of the latter claim while worshipping and following the Christ of the former So what does it mean to be Trinitarian This book is about that question what does it mean to be a Christian who worships a triune God to be Trinitarian Is the Trinity a doctrine arrived at through second order reflection on the Biblical data several hundred years after the canon closed or is it something else Is it perhaps a presupposition about the reality of God that has shaped the Christian imagination that has shaped the framework Christians bring to the world throughout created history *The Christian Doctrine of God, One Being Three Persons* Thomas F. Torrance, 2016-01-28 Written by one of the twentieth century's foremost modern Trinitarian theologians *The Christian Doctrine of God* remains a classic ground work for scholars and students alike In the book Thomas F. Torrance offers a detailed study of the most profound article of the Christian faith the Holy Trinity Torrance adopts a

holistic approach when examining the inter relatedness of the three persons Father son and Holy Spirit and their dynamic Communion with the Being and Nature of God Combining immense academic range with his characteristically fresh theological perspectives Torrance builds a significant theological bridge between ancient and modern as well as between the Roman and Protestant theology he engages deeply with the Church Fathers and discusses the ontological nature of God Here Torrance conveys a simple message the doctrine of the Trinity is the doctrine of God This Cornerstones edition includes a new introduction written by Professor Paul D Molnar in which Molnar sets Torrance s classic work in its modern context and considers how it continues to influence the way we think about the Trinity today **Christian Doctrine of God, One**

Being Three Persons Thomas F. Torrance, 2001-12-20 In a new paperback edition of a classic work T F Torrance aims to clarify understanding of that most profound article of the Christian faith the doctrine of the Holy Trinity Adopting a holistic approach he explains the inter relatedness of the three Persons Father Son and Holy Spirit and their dynamic Communion with the Being and Nature of God Combining immense academic range with new theological perspectives Professor Torrance builds a significant theological bridge between ancient and modern and Roman and Protestant theology **Biblical**

Criticism in Early Modern Europe Grantley McDonald, 2016-07-27 This book explores the explosive social and political implications of Erasmus philological work on the Greek New Testament When Erasmus 1516 failed to find Greek manuscript evidence for the Johannine comma long considered the clearest biblical evidence for the Trinity he unwittingly opened a vicious debate over the nature of the bible its relationship with doctrine and the role of the state in regulating private belief

Talking the Walk Marva J. Dawn, 2018-01-04 Talking the Walk provokes us to repent of twisted beliefs that trip us in our walk as believers It restores the glory and power of religious language so commonly corrupted In the current climate of thought it s an upside down theological breviary Its seventy two brief lucid essays on key theological words like Father Trinity creation atonement and hell could generate spirited weekly discussions for the brave and the free who desire to know and speak of God and faith more truly This book is a rich offering of praise to God the fruit of lips that confess his name Heb 13 15 Willard M Swartley Associated Mennonite Biblical Seminary Words serve as the coin of the realm in the Information Age As such they sometimes get dropped in the dirt and wear out They also get spent on the wrong things Sometimes considered worthless they get thrown away In her latest book Talking the Walk Marva Dawn bemoans the underuse misuse overuse and abuse of theological words In this theological wordbook Dawn s concern is not with abstract concepts but the lived experiences of faith Her considerable learning shines through but she speaks more from her heart than her head As one who has traveled across many geographical and denominational boundaries she has observed frequently and firsthand the shabby treatment accorded the traditional language of the church She recoils with pain and pleads for the restoration of words that carry deep meaning for the Christian faith Although I am one of her erstwhile teachers I do not agree with all of Dawn s answers But I do appreciate the questions she raises about the meaning of the words we use and don t use in the

contemporary church This is a book worth reading and thinking about Wayne McCown Northeastern Seminary Roberts Wesleyan College Words all words are holy God said and it was so and The Word was made flesh are the foundation pillars of language But these world making words and salvation shaping words are also vulnerable to corruption Christians have an enormous stake in purifying the language in maintaining the accuracy of words on which so much depends Marva Dawn in Talking the Walk keeps us alert and thoughtful lest we inadvertently use God s words to tell the Devil s lies Eugene H Peterson The Message Rescue a word discover a universe Sir Edwyn Hoskyns once said to his hearers In this book Marva Dawn undertakes such a rescue mission and discovers a universe of meaning in some of the most cherished provocative and enduring words in our religious vocabulary Talking the Walk is great writing and great theology held together in perfect equipoise A joy to read Timothy George Beeson Divinity School Samford University Calling things by their proper names as eighteenth century writer Hannah More put it is one of the obligations of faithfulness Marva Dawn likewise calls us to reconsider the theological language we use abuse and take for granted Her book introduces an examination of conscience for the contemporary church that is timely and vital for coherence in the community of faith David Lyle Jeffrey Baylor University For many Christians the great vocabulary words of the church have too often been like great grandmother s silver tucked away in the attic tarnished and forgotten relics of another day In this wonderfully written book Marva Dawn recovers these neglected treasures polishes these old words until they gleam and returns them to us ready to use in the life of faith Read this book with gratitude and joy Thomas G Long Candler School of Theology Emory University

Reclaiming Mission as Constructive Theology Paul S. Chung, 2012-03-09 Reclaiming Mission as Constructive Theology offers a compelling case for the need to integrate God's mission and missional church conversation with a public and post colonial study of World Christianity Driven by a commitment to publicly engaged theology that takes seriously the reality of Global Christianity Paul Chung presents a vital new model for understanding the mission of God as a dynamic word event This is argued in conversation with contemporary missional theology and analysis of the development of Global Christianity and as such brings important transcultural issues to bear on contemporary American conversations about the missional church All of this serves to innovatively stimulate this missional church conversation and more directly address the various questions that arise in pursuing mission in a multiculturalized American society
