The Church in the Workplace C. Peter Wagner, 2006-05-20 If Christians are in the workplace then so is the church In *The Church In The Workplace* C Peter Wagner explores how the role of the church in the work life of believers is just as much a ministry a service to God and even worship as what believers do on Sunday in their local churches A further indispensable step toward activating faith at work is to understand clearly how the extended church operates through the nuclear church and how bridges can be built to join the two Wagner does just this as he looks at the biblical perspective on work the Holy Spirit s call to the church to bring about social transformation and worldwide examples of the role the church has already played in the workplace

Paul Stevens, 2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God's new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news *Reimagining Christian Education* Johannes M. Halfway Up the Mountain Mark Wagner, William Wagner, 2020-12-29 Recently a top Christian leader wrote an article entitled America is in Crisis What do we do This theme was very interesting to me thus I read it with great expectations but was sorry to hear once again that the apparent answer to the question was to return to the old methods that we have been using in the past The world is changing and there are myriads of new possible methods and tools that can be used in the proclamation of the Gospel We need to seek new answers to the question of What do we do The title of this book shows both the success of the past but also give us new challenges for the future Our goal is to complete the great Commission of Jesus Christ and that is to Make disciples of all nations We have had much success in that at the present time we can say that approximately one third of the world claims some adherence to the Christian Faith But the job is not yet completed We are only half way there In climbing a mountain the start is easy and exciting We look at the beautiful peaks and can imagine what it will be like when we reach the top of the mountain Once we have reached the peak we have an unspeakable joy as to our accomplishments It is only when we are halfway up the mountain that real discouragement sets in When we are half way towards our ultimate goal we need to get ready for the more difficult part of the task We have accomplished much but still much needs to be done There are twelve authors who have contributed to this book All are experts in one of the ten mountains of culture The writers of this book are suggesting how we can look at the ten mountains of culture and discover new and creative ways of making the Gospel known to all peoples This book is intended to both inform the reader of the present situation and to challenge them to think on what we can accomplish when we apply mega thinking to our present satiation Authors Jenny Clark Alan Cross Timothy Goropevek Thomas K Johnson John Langlois David McAlvany Mary Catherine McAlvany Timo Plutschinski Charles Reynolds Hans Gu nter Schmidts Walker Tzeng Mark Wagner William Wagner
