God Money And You How To Be Financially Free:

God, Money & You Robert F. Cox, 2020-03-11 The book is focused on unlocking the hidden truths about money and wealth from God's perspective. It uses biblical scriptures as the basis for examination into whether or not money and wealth are considered bad and evil by God. The reader is presented with numerous scriptures to allow them to make a sound decision on this controversial topic among Christian believers. Hopefully after reading the pages of the book individuals will come away from it with insight and a thorough understanding that money and wealth are not evil or bad but something that God wants them to have. *God's Money-Back Guarantee* C.
