Glory is truly inspirational instructional and an authentic presentation that will saturate every fiber of your being to God's glory *50 Days In* Dr. Joseph E. Preble, 2023-03-27 Becoming a Christian is wonderful but living the life of a Christian is so much more To dedicate oneself to the service of the Lord is one of the most wholesome experiences anyone can imagine Yet with their newfound faith many lack the knowledge of how to properly live the Christian life This can be true for anybody but even more so for the incarcerated Christian who has to deal with the hatred violence and misery that prison culture so often brings them Many end up impeded in the advancement of their faith Having lived the life himself and overcome its challenges by the grace of God this book is written by an inmate for other inmates and it details how to begin to understand what it means to be a Christian how to follow God's will for your life and how to triumph through the difficulties and setbacks prison plays on those of the faith trying to find God in seemingly godless circumstances Not only will this fifty day journey be life changing but also it will help you come to terms with the past give you hope for the future and guide you in developing a proper understanding of God's will for your life Ultimately it will lead you to the healthy relationship God so desires for you to have with him This is for those truly looking to know God to worship him and to bring him glory with their lives both in prison and afterward Prayers of the Old Testament Lynne M. Baab, 2010-03-02 Can I be honest with God when I pray If we look at the Old Testament the answer is surely yes From the exuberant praise of Moses and Miriam to the desperate cries of Jeremiah the First Testament is rich with heartfelt prayers to our Father These eight session LifeGuide Bible Study from Lynne M Baab based on prayers from seven Old Testament books invite you to meet our mighty loving God in fresh ways bringing all of who you are to him

Seek First, Teach Second Danielle Lee, Danielle Zee, 2025-09-02 Very few things are more frustrating in the world of education than attending professional development events run or written by individuals so far removed from the classroom that the practicality of what they're presenting is largely useless Seek First Teach Second is a five week devotional full of real life stories based on real classroom experience as well as motherhood showcasing how educators can put their faith into practice in a professional setting However more than sharing a collection of heartwarming and sometimes heartbreaking tales the overarching goal is to give teachers specifically those serving in a public school setting a resource to help validate the work of their calling reflect on their effectiveness from an eternal perspective encourage them to capitalize on the power of prayer and rightly prioritize their faith their family and the high demands of their profession Christian programs in public schools such as Fellowship of Christian Athletes and See You at the Pole solely focus on student leadership While it is often assumed and expected that the adult sponsors of said programs are believers where are they getting their Biblical leadership training If the Church does not encourage and equip the soldiers on the front lines of the battlefield of the classroom it's a missed opportunity to stand in the gap and intercede on behalf of these children
