

The background of the cover is a dark, almost black, space filled with vibrant, abstract energy patterns. On the left, a bright, glowing white and blue sphere, resembling a star or a high-energy particle, emits a series of concentric, wavy energy bands in shades of blue, purple, and magenta. These waves sweep across the cover towards the right. Interspersed among these waves are numerous thin, glowing lines in red, orange, and yellow, which appear to be particle tracks or data streams. Small, bright points of light, like distant stars or sparks, are scattered throughout the composition, adding to the sense of dynamic energy and technological sophistication.
