Very informative and up-to-date, the explanations are easy to understand, and the practice exercises are helpful. It would be even better if more mock tests were included, but overall, a great study guide. A well-structured book with all the necessary topics for Bihar STET. The solved papers offer a good insight into the exam pattern. Some sections could have more detailed explanations, but it's still a highly useful guide. A decent book for Bihar STET preparation. While the content is good, I felt that some topics could have been elaborated further. Still, a valuable resource for understanding the exam structure and question trends. Highly recommended. The book is comprehensive, well-researched, and to the point. The practice questions and solved papers boost confidence, making exam preparation much more effective.
