

## **Chapter 17 Industrialization and Nationalism (1750-1910)**

### **Sec. 1 Latin American Revolutions**

- **Latin America 1800's**
  - Society in Spanish America was divided among peninsulares, creoles, and mestizos.
  - As the creoles population grew in numbers, and wealth, they wanted a say in government.
- **Uprising in Haiti**
  - Haiti was a French colony known as Saint Domingue.
  - Its population consisted of about 500,000 enslaved people of color.
  - After learning of the "Declaration of the Rights of Man," the free people of color demanded citizenship.
  - The wealthy French colonist resisted. The result was rebellion.
  - In 1794, the National Convention ended slavery in France's colonies.
  - Francois-Dominique Toussaint L' ouverture, was the leader of the rebel group.
  - After the won their freedom, L' ouverture was made governor-general for life of the colony.
  - Napoleon seized control of France in 1799. One of his goals was to create an American empire.
  - Napoleon wanted to restore slavery and put French officials in control of Saint Domingue.
  - Troops were sent to invade the island but it failed.
  - However, L' ouverture was captured, shipped to France, and died there in prison.
  - On January 1, 1804, Saint Domingue was declared independent and changed its name to Haiti (a higher place).
- **Mexican Independence**
  - Father Miguel Hidalgo, a Creole, began the fight.
  - The Enlightenment ideas of Liberty and equality inspired him.
  - On September 16, 1810, "El Grito de Dolores," his call to rebellion marks the beginning of the Mexican Revolution.
  - The rebel army captured several provinces and set up a government.
  - Land was returned to Native Americans, and slavery was ended.
  - Unfortunately, Hidalgo was not much of a general. In addition, the peninsulares and creoles were frightened of Hidalgo's policies.
  - They did not want to give up their wealth and power to mestizos and Native Americans.
  - In the fighting Hidalgo was caught. He was later tried and executed.
  - Another priest, Jose Maria Morelos, a mestizo, took over the fight.
  - By 1821 peninsulares and creoles decided to act for themselves.
  - With their support, Agustin de Iturbide, a Creole, came to power.
