capture Most importantly it provides a common ground for children and their parents to talk about one of the most stressful aspects of parenting Seriously Just Go to Sleep came to be when Mansbach read a highly censored rendition of the original book to his three year old daughter and she recognized herself as the culprit and was delighted We were getting a lot of feedback from parents saying that their kids loved the book read in an altered form because they recognized themselves in the character of the mischievous kid who s winning the bedtime battle and thought it was hilarious So we figured we d do a companion volume that lets kids in on the fun

*Go the F*ck to Sleep: Go the Fk to Sleep* ,2017-10-19 Go the F ck to Sleep is a book for hard working parents who struggle away every night to put their children to sleep This book understands the innermost frustrations and anger of the parents who go through the bedtime lullaby ordeals every night to put their kids to sleep The illustrations and poems are beautiful and funny Experience Go the F ck to Sleep today

Fuck, Now There Are Two of You (Go the Fuck to Sleep #3) Adam Mansbach,2019-10-01 The third

installment in Adam Mansbach's international best-selling *Go the Fuck to Sleep* series addresses with radical honesty the family implosion that occurs when a second child arrives. If you're a fan of both Larry David and profane children's book parodies, don't even try to curb your fucking enthusiasm. Kirkus Reviews: Adam Mansbach famously gave voice to two of parenting's primal struggles in *Go the Fuck to Sleep* and *You Have to Fucking Eat*, the often imitated, never duplicated pair of New York Times best sellers that ushered in a new era of radical honesty in humor books for parents. But what could possibly be left? Parents, new, old, expectant, and grand of multiple children already knew the answer. Adam discovered it for himself by having two more kids, less than two years apart. *Fuck Now There Are Two of You* is a loving monologue about the new addition to the family, addressed to a big sibling and shot through with Adam's trademark profane truth telling. Gorgeously illustrated and chock full of unspoken sentiments channeled directly from the brains of parents worldwide, *Fuck Now There Are Two of You* articulates all the fears and frustrations attendant to the simple, math-defying fact that two is a million more kids than one. As you probably know by now, you shouldn't read it to a child. **No Kids Allowed** Michelle Ann

Abate, 2020-10-13. Children's literature isn't just for children anymore. This original study explores the varied forms and roles of children's literature when it's written for adults. What do Adam Mansbach's *Go the F*ck to Sleep* and Barbara Park's *MA There's Nothing to Do Here* have in common? These large-format picture books are decidedly intended for parents rather than children. In *No Kids Allowed*, Michelle Ann Abate examines a constellation of books that form a paradoxical new genre: children's literature for adults. Distinguishing these books from YA and middle-grade fiction that appeals to adult readers, Abate argues that there is something unique about this phenomenon. Principally defined by its form and audience, children's literature, Abate demonstrates, engages with more than mere nostalgia when recast for grown-up readers. Abate examines how board books, coloring books, bedtime stories, and series detective fiction, written and published specifically for adults, question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive.
