The Palgrave Handbook of Social Theory in Health, Illness and Medicine F. Collyer, 2015-02-12 This wide reaching handbook offers a new perspective on the sociology of health illness and medicine by stressing the importance of social theory Examining a range of classic and contemporary female and male theorists from across the globe it explores various issues including chronic illness counselling and the rising problems of obesity

EBOOK: Situating Social Theory Tim May, Jason Powell, 2008-08-16 a very substantial and reliable introduction to social theory imaginatively written and extremely readable The new edition contains three valuable additional chapters William Outhwaite Professor of Sociology University of Sussex UK The long anticipated second edition of this original and approachable text examines social theory in the context of its traditions and historical development and explores its contemporary relevance in explaining society and understanding social relations The text has been substantially revised and includes three new chapters two of which depict theory in action and a new conclusion May and Powell have also added new material on both emotion and globalisation Situating Social Theory begins by charting the history of social theory examining its development in terms of the Enlightenment project and the cultural and intellectual contexts in which theorists worked and constructed their ideas It goes on to critically examine traditions in social thought including hermeneutics

phenomenology pragmatism critical theory structuralism actor network theory systems theory and feminisms In outlining the main ideas behind these traditions the form and content of modern social theory is situated within its historical roots enabling the reader to actively explore the arguments and reflect upon their strengths and weaknesses Throughout the book the relationships between agency the social self and social structure provide a thematic coherence There is a comprehensive bibliography that will help the reader to explore theories of particular interest in greater depth Situating Social Theory is an invaluable text for intermediate undergraduate courses within sociology and the wider social sciences and provides an essential source of reference for advanced undergraduates and postgraduate researchers **Where is Art?** Simone

Douglas,Adam Geczy,Sean Lowry,2022-06-30 Featuring chapters by a diverse range of leading international artists and theorists this book suggests that contemporary art is increasingly characterized by the problem of where and when it is situated While much advanced artistic speculation of the twentieth century was aligned with the question what is art a key question for many artists and thinkers in the twenty first century has become where is art Contributors explore the challenge of meaningfully identifying and evaluating works located across multiple versions and locations in space and time In doing so they also seek to find appropriate language and criteria for evaluating forms of art that often straddle other realms of knowledge and activity The book will be of interest to scholars working in art history contemporary art art criticism and philosophy of art SAGE Qualitative Research Methods Paul Atkinson,Sara Delamont,2010-11-17 SAGE has been a major

force shaping the field of qualitative methods not just in its specialist methods journals like Qualitative Inquiry but in the empirical journals such as Social Studies of Science Delving into SAGE s deep backlist of qualitative research methods journals Paul Atkinson and Sara Delmont editors of Qualitative Research have selected over 70 articles to represent SAGE s distinctive contribution to methods publishing in general and qualitative research in particular This collection includes research from the past four decades and addresses key issues or controversies such as explanations and defences of qualitative methods ethics research questions and foreshadowed problems access first days in the field field roles and rapport practicalities of data collection and recording data analysis writing and re presentation the rise of auto ethnography life history narrative and autobiography CA and DA and alternatives to the logocentric such as visual methods Life As Theater Dennis Brissett,Charles Edgley,2005-01-01 Life as Theater is about understanding people and how the dramaturgical way of thinking helps or hinders such understanding A volume that has deservedly attained the status of a landmark work this was the first book to explore systematically the material and subject matter of social psychology from the dramaturgical viewpoint It has been widely used and quoted and has sparked ferment and debate in fields as diverse as sociology psychology anthropology political science speech communication and formal theater studies Life as Theater is organized around five substantive issues in social psychology Social Relationships as Drama The Dramaturgical Self Motivation and Drama Organizational Dramas and Political Dramas This classic text was revised and updated for a second edition in 1990

and includes approximately 66 percent new materials all featuring individual introductions that provide the dramaturgical perspective and reflect the most learned thinking and work being done within this point of view This book s sophistication will appeal to the scholar and its clarity and conciseness to the student Like its predecessor it is designed to serve as a primary text or supplementary reader in classes This new paperback edition includes an introduction by Robert A Stebbins that explains why even fifteen years after its publication *Life as Theater* remains the best single sourcebook on the dramaturgic perspective as applied in the social sciences Dennis Brissett died 1996 was professor of behavioral science at the University of Minnesota School of Medicine in Duluth and also taught at the State University of New York at Buffalo and Portland State University Charles Edgley is a professor in and head of the Department of Sociology at Oklahoma State University and has been a member of the faculty since 1972 He is coeditor of *The Handbook of Thanatology* and does editorial work regularly for the journal *Symbolic Interaction* where he has published a portion of his research on the health and fitness movement Robert A Stebbins is faculty professor and professor of sociology emeritus at the University of Calgary He is the author of many books including *Between Work and Leisure* from Transaction Publishers

Critical Psychiatry Ian Cummins, 2025-02-28 *Critical Psychiatry* outlines the history of a group of thinkers that has come to be known as the anti psychiatry movement Though it has been called a movement the individual thinkers and authors ideas were often in conflict but what they share is a critical perspective on psychiatry as a discipline and institutionalised modes of care The current crisis in mental health services means that it is time to examine once again the key themes of critical psychiatry The excesses of the 1960s radicalism have meant that these themes with an emphasis on the individual dignity of all those involved in mental health services have been lost These need to be rediscovered as part of a solution to current difficulties but also as the starting point for a new model of service provision *Critical Psychiatry* is a history of ideas It provides a critical evaluation of key thinkers and the application of their work to contemporary mental health service settings

Erving Goffman Jürgen Raab, 2019-02-14 While Erving Goffman s books are among the most widely read sociological works covering issues including the presentation of the self total institutions interaction order to frame analysis they are in fact guided by a single theme the analysis of the form of interaction in social situations and the role that individuals play in it This book stresses Goffman s central role as a sociological theorist exploring the potentials of his work and uncovering the recondite layers of his oeuvre In opening a path to understanding the complexity of his writings it offers new directions for social theory and empirical research

The Legacy of Kenneth Burke Kenneth Burke, 1989 Capturing the lively modernist milieu of Kenneth Burke s early career in Greenwich Village where Burke arrived in 1915 fresh from high school in Pittsburgh this book discovers him as an intellectual apprentice conversing with the moderns from Google Books

The Geography of the Everyday Robert E. Sullivan, 2017 Sullivan makes the case for geography as a powerful conceptual framework for seeing the everyday anew and for pushing back against its givenness its capacity to so fade into the background that it controls us in dangerously

unexamined ways He ranges across time space history Marxian reproduction the body and the geographical mind *The Legacy of Aging* Jeffrey P. Rosenfeld,1979 This volume is an important investigation of the social characteristic of inheritance in America It is one of the first studies to apply sociological theory and multivariate analysis to geriatric lifestyles and testamentary behavior Love and Sexuality in Social Theory Emiliano Bevilacqua,Mariano Longo,Michael Hviid Jacobsen,2024-11-27 Love and Sexuality in Social Theory considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions
