

The background of the entire cover is a photograph of a small, empty wooden boat floating on a calm lake. In the distance, there are rolling hills or mountains under a soft, hazy sky. The water reflects the light, creating a gentle shimmer. The boat is positioned in the lower half of the image, with its bow pointing towards the bottom left.

THE 1946 PROJECT Edward D. Andrews,2021-10-28 Did one mistranslated word in 1946 change the church forever The film The 1946 Project claims that the word homosexual was wrongly inserted into the Bible in the Revised Standard Version and that this single mistake has fueled decades of misunderstanding mistreatment and oppression But is that true Or is it a clever attempt to rewrite the gospel to fit the spirit of the age This book exposes the errors of The 1946 Project with Scripture history and sound scholarship From Genesis to Revelation the Bible speaks with one voice about God s design for sex marriage and holiness It is not one English word that defines the issue but the inspired Word of God itself Part One dismantles the film s claims showing why the mistranslation myth collapses under the weight of biblical evidence and the Christian consensus across centuries Part Two turns directly to today s youth ages 12-25 offering biblical guidance courage and clarity in a world of confusion about identity gender and truth This is not a book of hate but of hope It calls every reader to take God s Word seriously to stand firm in a culture of compromise and to believe the good news that in Christ sinners of every kind can be washed sanctified and justified 1 Corinthians 6:11 Truth matters Eternity matters The gospel cannot be rewritten

THE FUNDAMENTALS OF THE CHRISTIAN FAITH Edward D. Andrews,Reuben Archer Torrey,2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God s Word Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies

In the Shadow of the Pyramids Tom Stone,2021-05-25 The Israelites had lived in the shadow of the Pyramids for 400 years and the Exodus was supposed to liberate them from that shadow Yet Yahweh knew that the shadows cast were not simply physical but spiritual emotional and social God's instructions in Deuteronomy were designed to remove every trace of their slavery mindset Our journey through Deuteronomy explores the liberation God offered and how God's freedom legislation reflects the wider redemption narrative of the Bible As we stand with the Israelites at the cusp of the promised land we'll also reflect on the images that cast shadows over our hearts and how God's 3000 year old guidance may still emancipate our modern unequal society
