Hedge Fund Governance Evaluating Oversight Independence And Conflicts:

Hedge Fund Governance Jason Scharfman, 2014-10-22 *Hedge Fund Governance Evaluating Oversight Independence and Conflicts* summarizes the fundamental elements of hedge fund governance and principal perspectives on governance arguments. An authoritative reference on governance, it describes the tools needed for developing a flexible comprehensive hedge fund governance analysis framework. Case studies and interviews with professional fund directors shine a bright light of pragmatism on this framework. The author's global analysis of more than 5,000 hedge fund governance structures enables him to draw realistic conclusions about best practices. He also explores the value consequences of good vs. bad governance, estimating the actual dollar losses that can result from bad governance as well as the operational and investment performance benefits of certain governance practices. Presents methods for evaluating qualifications, conflicts of interests, fees, obligations, and liabilities of hedge fund Boards of Directors. Explains techniques for developing a hedge fund governance assessment program, including analyzing legal documentation, analysis, and financial statements for governance-related information. Uses case studies and example scenarios in hedge fund governance successes and failures to explore investor governance rights and fund manager responsibilities in onshore and offshore jurisdictions.

Hedge Funds H. Kent Baker, Greg Filbeck, 2017-07-26 *Hedge Funds Structure Strategies and Performance* spans the gamut from theoretical to practical coverage of an intriguing but often complex subject and provides insights into the field from leading experts around the world.

Hedge Fund Compliance Jason A. Scharfman, 2016-11-11 The long-awaited guide for modern hedge fund compliance program development. *Hedge Fund Compliance Website* provides straightforward practical guidance toward developing a hedge fund compliance program drawn from the author's experience training financial regulators, consulting with government entities, and analyzing hedge fund compliance structures across the globe. In-depth explanations of compliance principles are backed by illustrative case studies and examples. Highly in-demand templates of popular hedge fund compliance documentation provide actionable illustrations of key compliance policies. Designed to assist investors, fund managers, service providers, and compliance job seekers directly, this book describes the fundamental building blocks of the hedge fund compliance function. Compliance is one of the fastest growing areas in the hedge fund space. This reference book provides an essential foundation in modern hedge fund compliance, reflecting the recent changes of this dynamic field. Design and run a hedge fund compliance program. Access templates of core compliance documentation and checklists. Discover how investors can evaluate and monitor compliance programs. Interviews with hedge fund compliance practitioners. A steady stream of regulatory changes combined with the enhanced enforcement efforts of regulators ensure that hedge funds' compliance-related expenditures will continue to grow. While hedge fund compliance legislation continues to evolve globally, little practical guidance exists for those tasked with the boots on the ground aspects of developing an actual compliance program to comply with best practices and regulatory guidance from leading hedge fund regulators, including the US.
