Divine Therapeia and the Sermon Neil Pembroke, 2013-09-19 Therapeutic preaching is badly in need of rehabilitation Administering mini doses of psychological self help from the pulpit simply will not do Therapeutic preaching that is theocentric draws listeners more deeply into God s healing love It involves setting up a creative conversation between divine and human therapy In a novel and deeply insightful way Neil Pembroke shows how metaphors and analogues drawn from psychotherapy can be employed to draw out the power in divine therapeia

Interpersonal Relationship Skills for Ministers, 2004-10-31 This book addresses a major need Christian Standard Reports from churches indicate that poor interpersonal relationships are the primary reasons for minister failure Though they are taught the important skills of how to interpret the Bible how to discern and articulate doctrine how to direct worship services and more ministers are eventually faced with a congregation While they may frequently call on some skills and others not at all interpersonal relationship skills are vital to any ministry This book is designed to aid ministers seminary students denominational leaders and church members nurture their relationships with one another and with God and to help the understanding of oneself and of others that is part of the minister s task These essays from the faculty of the New Orleans Baptist Theological Seminary focus on four areas of concern relationship with oneself with family in the church and in the community Above all these lessons are devised to aid in nurturing a secure setting for effectiveness in the ministry and in service to God

Principles of Conflict Transformation Pastor Dr. Mezgebu A. Tucho, 2016-11-04 This book will outline a theological transformative approach that is effective in resolving congregational conflict and has shown that in the question of how the contemporary congregation might address conflict the answers lie not only in the process James taught his audience in his chapter four of his epistle but in a deeper understanding of the kind of kingdom Jesus embodied and his expectations of how its members would live with a clear sense of their own standing before God and one another It will

develop a dialogue between conflict theory and theology to create a solution that helps transform conflict into positive outcomes Conflict transformation is a new approach to conflict resolution that attempts to describe what ought to happen in conflict more precisely It is a step beyond conflict resolution and points toward a deep transformation in the conflicting parties stopping the issues that trigger violence and allowing peace in relationships Resolution focuses on the present conflict or issue and finds the solution Transformation focuses on the people involved in the conflict and their permanent relationships with each other Conflict transformation occurs only when true wisdom reigns among people in congregation It agrees with Vayrynen 1991 that actor transformation is critical to transform conflict into something good and beneficial to the organization However unlike Vayrynen it believes that unless actor transformations occur any other transformations e g issue rule and structure will be only temporary and the conflict that had been controlled in the present will reemerge later on in the future unless the falsely wise members are replaced with truly wise ones *The Speed Method, Awareness in Four Steps* Barbara Marchica, 2022-10-17

The author presents a theoretical practical training manual with effective tools for everyone especially counselors to improve their spiritual growth The Speed Method integrating Lonergan s theory with the practice of counseling becomes a concrete opportunity in view of a new spiritual springtime for the Church and human care

Foundations for Soul Care Eric L. Johnson, 2009-08-20 Eric L Johnson proceeds to offer a new framework for the care of souls that is comprehensive in scope yet flows from a Christian understanding of human beings what amounts to a distinctly Christian version of psychology This book is a must read for any serious Christian teacher student or practitioner in the fields of psychology or counseling

Identità e finalità del Pastoral Counseling Barbara Marchica, 2019-07-22 Che cos come funziona e quali sono le motivazioni del Pastoral Counseling Questo libro offre una riflessione antropologica e teologica su tale prassi al momento poco approfondita nella chiesa cattolica italiana L autrice a partire dalla realtà ecclesiale statunitense dove la relazione di aiuto pastorale vanta un esperienza di alcuni decenni offre le coordinate per dirne l identità e la finalità Attraverso la teoria della coscienza e della conoscenza di s proposta dal noto teologo Bernard Lonergan vengono delineati una mediazione teologica e un quadro interpretativo articolati di questa pratica pastorale Inoltre l analisi di un caso individuale e un attività di gruppo diventano la cifra per comprendere anche praticamente lo scopo del Pastoral Counseling offrire alla coscienza la consapevolezza di s per un agire qualitativamente cristiano
