Lyon Architectures Intimes Collectif:

Projets de fin d'études 2002-2003 à l'école d'architecture de Saint-Etienne Ecole d'architecture de Saint-Etienne, 2005

Transgression in the Architectures of After-Modernity Carmen Popescu, 2025-09-03 In architecture transgressive acts have always been a reality in spite of rules and canons that have defined the discipline and its extended field. However, in recent decades their frequency and radicality have surged from rather random marginal and/or idiosyncratic phenomena. While their sudden rise can be explained as a reaction to the compulsive normativity of modernity, the deeper roots are to be sought elsewhere: the recent waves of transgressiveness are intimately linked to the hypercrisis affecting our world today, spanning ecological, political, economic and social dimensions and catalysing fundamental mutations and disorders. Some of these transgressive acts are motivated by a desire to dismantle a malfunctioning system, but more often than not, breaking the rules has become an inherent survival tactic amid urgent social challenges. In our era of after-modernity, transgression emerges not just as an act of defiance but reveals a new paradigm at work: a critical framework for reimagining the built environment, challenging established orders and advocating for the rights of marginalised populations. Drawing on a rich array of theoretical insights and empirical case studies from multiple countries, this volume provides a unique forward-looking perspective on transgressive acts in architecture as responses to today's ecological, political, economic and social crises. *Annales de la Société académique d'architecture de Lyon*, 1906 *Approaching the integrative city* Dimitra Babalis, 2016-05-24 This book debates on transformation of urban spaces considering heritage, value, diversity and sustainability issues. It explains complexity and methodology to re-think and re-vitalise urban spaces in sensitive urban environments. Teamwork scientific findings explore evolving ways of innovative urban space transformation in different European contexts. In the first part, it examines the reading and designing of historic environment in terms of character, attractiveness, functionality and sustainability of public space and its re-definition for urban quality, wellbeing and social cohesion. In the second part, it presents issues on placemaking within sustainable design. In the third part, it develops a dynamic transformative process in designing urban vitality of waterfronts essential for everyday life. **Revue générale de l'architecture et des travaux publics**, 1865 Revue générale de l'architecture et des travaux publics, 1865 *Guide du Routard Lyon et ses environs* 2025/26 Collectif, 2025-01-08 Cet epub est la version numérique du guide sans interactivité additionnelle. Nouvelle mise à jour du Routard le guide de voyage n° 1 en France.
