 Henri-Paul Enjames,2022-09-21 In World War II the U S Army not only supplied its soldiers with the most modern equipment
 and uniforms suitable for any combat situation but went as far as providing them with their favorite drinks or candy bars and
 seemingly anything else they might require This comprehensive reference book brings together all the equipment issued to
 American soldiers in the European Theater of Operations 1943 45 Each item is presented with its catalog numbers described
 in detail and fully depicted in photographs including close ups of the labels to aid identification of items Graphics and
 diagrams offer additional information and context This second volume of the G I Collector s Guide is fully revised with the
 addition of sections including personal equipment trophies and souvenirs the wartime draft and Stateside training and the
 life of POWs in German camps More than one thousand new artifacts with detailed captions are featured in this completely
 revised new work Expert Henri Paul Enjames describes all variations of uniform insignia badges weapons and equipment in
 detail As a complete catalog with high quality photographs this book is invaluable to both family historians researching
