Mini Story Giles Chapman, 2012-02-29 Very few cars inspire as much affection as the original Mini. It's the small car everyone loves to eulogise because it oozes energetic fun, classless minimalism, and evergreen style. But it's also of massive historical importance: the 1959 Mini, designed by Alec Issigonis, set the template from which all successful compact cars have been created ever after. It was the technological wonder of its age. The original Mini was on sale for 41 years, during which its 5.3m sales made it the best-selling British car of all time, an achievement unlikely ever to be beaten. And just when it looked like the little car would shrivel and die, BMW had the vision to reinvent it as the planet's most desirable small car range and put it back on the serious motoring map as the MINI. Here, award-winning writer Giles Chapman tells the whole amazing story.

[The Ultimate Mini Restoration Manual](#) Iain Ayre, 2015 *The Ultimate Mini Restoration Manual* gives you all the info you need to evaluate your skills and attitude, get your garage sorted, choose the right Mini, weld up the rust, paint it, overhaul the engine, sort the rest of the mechanicals, retrim, then make the car faster, smoother, sharper, and a lot more fun.
