Fighting fires in domestic chimneys Great Britain: Department for Communities and Local Government,Chief Fire & Rescue Adviser,2011-09-20 Generic Risk Assessment 3 3 Fighting Fires in Domestic Chimneys is part of a new series of Generic Risk Assessments GRAs that is the product of a ten year consultation period The GRAs have been designed to safeguard Fire and Rescue Service FRS personnel and members of the public This assessment examines the hazards risks and control measures relating to Fire and Rescue Service personnel the personnel of other agencies and members of the public when fighting fires in domestic chimneys including similar structures in other buildings such as public houses It also covers false chimneys Industrial chimneys pose specific risks and fall outside the scope of this generic risk assessment therefore liaison with site owners may be necessary to identify individual characteristics This

publication also does not cover fires in ducting and extraction units There are significant hazards and risks which face Fire and Rescue Service personnel at fires in domestic chimneys **Working with helicopters [paperback]** Great Britain: Department for Communities and Local Government, Chief Fire & Rescue Adviser, 2010-12-23 Looseleaf version also available ISBN 9780117540675 On cover Fire and Rescue Service operational guidance GRAs generic risk assessments This series only applies to England **Fire and Rescue Service operational guidance - incidents in tunnels and underground structures** Great Britain: Department for Communities and Local Government, Chief Fire & Rescue Adviser, 2012-04-27 This publication presents a framework for a safe system of work for operations at incidents involving tunnels and underground structures It provides a robust yet flexible insight that can be adapted to the nature scale and requirements of the incident Incidents involving tunnels and underground structures may place significant demands on local fire and rescue services and have often required a national co ordinated response from across the country This type of incident may generate intense media attention where the operations of the emergency services are rigorously scrutinised Whilst much of this attention is approving it will invariably focus on the preparedness of the emergency services and their operational effectiveness The Stationery Office Annual Catalogue Stationery Office (Great Britain), 2002 Architecture and Fire Stamatis Zografos, 2019-06-12 Architecture and Fire develops a conceptual reassessment of architectural conservation through the study of the intimate relationship between architecture and fire Stamatis Zografos expands on the general agreement among many theorists that the primitive hut was erected around fire locating fire as the first memory of architecture at the very beginning of architectural evolution Following the introduction Zografos analyses the archive and the renewed interest in the study of archives through the psychoanalysis of Jacques Derrida He moves on to explore the ambivalent nature of fire employing the conflicting philosophies of Gaston Bachelard and Henri Bergson to do so before discussing architectural conservation and the relationship between listed buildings the function of archives and the preservation of memories from the past The following chapter investigates how architecture evolves by absorbing and accommodating fire while the penultimate chapter examines the critical moment of architectural evolution the destruction of buildings by fire with a focus on the tragic disaster at London s Grenfell Tower in 2017 Zografos concludes with thoughts on Freud s drive theory He argues the practice of architectural conservation is an expression of the life drive and a simultaneous repression of the death drive which suggests controlled destruction should be an integral part of the conservation agenda Architecture and Fire is founded in new interdisciplinary research navigating across the boundaries of architecture conservation archival theory classical mythology evolutionary theory thermodynamics philosophy and psychoanalysis It will be of interest to readers working in and around these disciplines **The Stationery Office Annual Catalogue 2000** Great Britain Stationery Office, 2002 *Fire Engineering and Emergency Planning* R. objective of sharing technical expertise and knowledge within Lloyd's Register Publications have consistently been released on a yearly basis with a brief interruption between 1938 and 1946. These publications serve as a key reference point for best practices and were initially reserved for internal use to maximise LR's competitive advantage. Today the LRTA takes a fresh approach focusing on collaboration by combining professional expertise from across LRF Group to ensure a frequent output of fresh perspectives and relevant content. The LRTA has evolved into a Group-wide initiative that identifies, captures and shares knowledge spanning various business streams and functions. To support this modern approach the LRTA has adopted a new structure featuring representatives and senior governance across the business streams and the LR Foundation. The Lloyd's Register Technical Association Papers should be seen as historical documents representing earlier viewpoints and are not reflective of current thinking and perspectives by the current LR Technical Association. The Lloyd's Register Staff Association (LRSA) changed its name to the Lloyd's Register Technical Association (LRTA) in 1973. *Government Publications* Great Britain.
