Analyzing an NYSE Europext Listing

Investors follow changes for various stacks to determine which ones to invest in. Each day, information about each company's stock is released by the stock exchanges. Often, this information is organized in a table. It is important for investors to be able to analyze the table in order to make wise investment decisions.

Directions: Examine the chart lestow and then answer the following questions. If you need help with the terms, remail the section on charts in Lesson 5.
