

The background of the cover is a light yellow color with a pattern of thin, parallel diagonal lines. Overlaid on this are several mathematical diagrams. In the upper left, there is a coordinate system with a vertical axis and a horizontal axis. A solid curve starts from the vertical axis and curves upwards and to the right. A dashed curve follows a similar path but is slightly lower. An arrow points from the vertical axis towards the dashed curve. In the lower right, there is a series of nested, elongated, teardrop-shaped curves that appear to be part of a larger mathematical structure. A horizontal line with tick marks runs across the middle of the cover, passing behind the title.
