Metaphysics as Therapy Karl-Stéphan Bouthillette, 2025-05-02 This book examines the significance of metaphysical list making as a determining feature of spiritual exercises in South Asian gnostic yogas It examines how these ancient traditions sought spiritual transformation through the dialectical practice of taxonomy It highlights the gnostic thread that intersects spiritual exercises and ways of life in Hindu Buddhist and Jaina circles It fills a gap in yoga studies by proposing a new understanding of jñāna yoga yoga of knowledge Departing from mainstream Anglophone philosophical traditions it articulates an original meta theory of philosophical practice explaining how philosophy can be therapeutic in concrete terms The book theorizes yogic Gnosticism as a South Asian religious undercurrent and as a distinctive form of philosophical practice and ascetic way of life internalizing a sacrificial worldview

Finally the book analyzes four literary case studies presenting therapeutic methods in competing gnostic traditions namely the Verses on S khya of varak a the Advaita Instructions on the Doctrine of Gau ap da the Buddhist Heart S tra and the Twelve Contemplations of the Jaina Kundakunda The groundbreaking multidisciplinary and trans sectarian book offers a must read for scholars across the fields of world philosophy and religious studies *The Buddhist Tantras* David B. Gray,2023 The tantric Buddhist traditions emerged in India beginning in the seventh century CE and flourished there until the demise of Buddhism in India circa the fifteenth century These traditions were disseminated to Central East and Southeast Asia and continue to be practiced most notably in Nepal Tibet and Japan as well as in the numerous Tibetan traditions disseminated around the world by Tibetan masters living in diaspora The central scriptures for these traditions were generally designated by the term tantra Tantras are works that purport to relate secret teachings of the buddhas that enable awakening in as short as one lifetime As such they are understood by their advocates to be the inspired speech of a buddha and hence worthy of inclusion in the canons of Buddhist traditions Over the past twenty years there has been considerable growth in the study of tantras as well as translations of these works into Western languages This volume provides a detailed introduction to the Buddhist tantras It addresses their development in India their dissemination to Central East and Southeast Asia and their reception in these contexts It introduces the key teachings in the tantras as well as the history of their interpretation and their connection to traditions of ritual and contemplative practices It also introduces the classification of the tantras and their place in Buddhist scriptural canons It concludes with a look at the transgressive rhetoric that characterizes many of the tantras the impact this had on their dissemination and translation and the ways in which Buddhists explained this It suggests that transgressive rhetoric and practices served an important role in Buddhist tantric traditions which may be why they persist despite the challenges they have presented to the dissemination of these traditions Manual of Early Ecclesiastical History to 476 A. The Gnostic Book of Meditation (AGEAC) V M Kwen Khan Khu, Samael Aun Weor, 2021-04-06 Meditation historically well known in the East has now become fashionable in the West and even doctors and psychiatrists advise it for healing and improving the states of their patients Unfortunately a snobbish current has appeared and much verbiage has been poured out on this subject This leads the devotee along paths that prevent him from doing it correctly since meditation is something profoundly transcendental In the present treatise all the texts left on this subject by the Avatar of Aquarius V M Samael Aun Weor are gathered clarifying all the doubts explaining the correct technique and guiding anyone who truly wants to enjoy meditation and harvest its fruits on a physical and metaphysical level As it is well known that no effort of intimate self realization can give results without meditation Dr Samael Aun Weor prolific esotericist author and anthropologist was born amidst the tribulations of a society that was succumbing to materialism and the decadence of all ethical philosophical and transcendental values After enormous personal sacrifices he achieved his personal Self Realization and dedicated his entire life and his immense work to teaching humanity the path of the true Awakening of Consciousness traditionally known as Gnosis Samael Aun Weor delivers in his more than sixty works and renouncing all personal benefits hundreds of practices and all the keys including the *Secreto Secretorum* of true esotericism in depth that allows the seeker to discover by himself the answers and experience the results through a psychological work based on three factors To be born alchemically To Die to everything illusory and the Sacrifice for Humanity to pay our karmic debts You can find more information about this unrivaled author at www.samael.org AGEAC presents its collection of books in basic format black and white If you wish to purchase our books in color format and with exclusive design please contact us through our web pages **Treatise on**

Wisdom - 9 Tomás Morales y Durán ,2020-11-04 What is offered today is not Buddhism it is New Age And any investigation leads us to the same authors and translators And it s not that it s funny Buddhism was in death throes once again like so many others throughout its history and someone came to revive it And this time it was the Theosophical Society He managed to keep Buddhism from being engulfed by the Jesuit missionaries and he saved it by reviving it but of course giving it that theosophical flavor that is what permeates Buddhism today A touch that corrupts the true meaning of the Buddha s Dhamma

and that has contributed to consolidating ignorance even in those who sought the truth If the water is thirsty there is nothing that can be done Heart Meditation: An Introduction to Gnostic Heart Meditation Dr. Seyed M. Azmayesh,2014-05-23 This book is an introduction to the ancient Gnostic science of Heart Meditation through the use of mystical rhythms Over the last decades scientific research has established the benefits of meditation for our minds and bodily health However most of the research has been focused on the effect of meditation on the mind as traditional meditation techniques concentrate primarily on the mind and its relation to the body However Gnostics for thousands of years have focused their meditation techniques on the heart because they recognise the importance of the heart as a gateway for spiritual enlightenment as well as the role it has in creating inner balance in our minds and improving our physical health This booklet is an introductory guide to this technique which should be practiced under the guidance of an experienced instructor **105 Esoteric Traditions of the**
