**God and Ronald Reagan** Paul Kengor, 2024-04-16 Ronald Reagan is hailed today for a presidency that restored optimism to America engendered years of economic prosperity and helped bring about the fall of the Soviet Union Yet until now little attention has been paid to the role Reagan s personal spirituality played in his political career shaping his ideas bolstering his resolve and ultimately compelling him to confront the brutal and not coincidentally atheistic Soviet empire In this groundbreaking book political historian Paul Kengor draws upon Reagan s legacy of speeches and correspondence and the memories of those who knew him well to reveal a man whose Christian faith remained deep and consistent throughout his more than six decades in public life Raised in the Disciples of Christ Church by a devout mother with a passionate missionary streak Reagan embraced the church after reading a Christian novel at the age of eleven A devoted Sunday school teacher he absorbed the church s model of practical Christianity and strived to achieve it in every stage of his life But it was in his lifelong battle against communism first in Hollywood then on the political stage that Reagan s Christian beliefs had their most profound effect Appalled by the religious repression and state mandated atheism of Bolshevik Marxism Reagan felt called by a sense of personal mission to confront the USSR Inspired by influences as diverse as C S Lewis Whittaker Chambers and Aleksandr Solzhenitsyn he waged an openly spiritual campaign against communism insisting that religious freedom was the bedrock of personal liberty The source of our strength in the quest for human freedom is not material but spiritual he said in his Evil Empire address And because it knows no limitation it must terrify and ultimately triumph over those who would enslave their fellow man From a church classroom in 1920s Dixon Illinois to his triumphant mission to Moscow in 1988 Ronald Reagan was both political leader and spiritual crusader **God and Ronald Reagan** deepens immeasurably our understanding of how these twin missions shaped his presidency and changed the world

**God and Ronald Reagan** Paul Kengor, 2004-02-03 Ronald Reagan is hailed today for a presidency that restored optimism to America engendered years of economic prosperity and helped bring about the fall of the Soviet Union Yet until now little attention has been paid to the role Reagan s personal spirituality played in his political career shaping his ideas bolstering his resolve and ultimately compelling him to confront the brutal and not coincidentally atheistic Soviet empire In this groundbreaking book political historian Paul Kengor draws upon Reagan s legacy of speeches and correspondence and the memories of those who knew him well to reveal a man whose Christian faith remained deep and consistent throughout his more than six decades in public life Raised in the Disciples of Christ Church by a devout mother with a passionate missionary streak Reagan embraced the church after reading a Christian novel at the age of eleven A devoted Sunday school teacher he absorbed the church s model of practical Christianity and strived to achieve it in every stage of his life But it was in his lifelong battle against communism first in Hollywood then on the political stage that Reagan s Christian beliefs had their most profound effect Appalled by the religious repression and state mandated atheism of Bolshevik Marxism Reagan felt called by a sense of

personal mission to confront the USSR Inspired by influences as diverse as C S Lewis Whittaker Chambers and Aleksandr Solzhenitsyn he waged an openly spiritual campaign against communism insisting that religious freedom was the bedrock of personal liberty The source of our strength in the quest for human freedom is not material but spiritual he said in his Evil Empire address And because it knows no limitation it must terrify and ultimately triumph over those who would enslave their fellow man From a church classroom in 1920s Dixon Illinois to his triumphant mission to Moscow in 1988 Ronald Reagan was both political leader and spiritual crusader God and Ronald Reagan deepens immeasurably our understanding of how these twin missions shaped his presidency and changed the world

**God and Ronald Reagan** Paul Kengor,2001-01-01 To Ronald Reagan the United States was a divinely ordained beacon of freedom as this history of the president s spirituality reveals Blending research and fascinating storytelling this work will forever change the public s understanding of one of America s most influential presidents

*Reagan's God and country* Tom Freiling,2000 Not since Lincoln has a sitting president addressed spiritual issues as frequently as President Ronald Reagan Most of Reagan s biographers however overlook his strong religious convictions writing about them either sparingly or disparagingly In Reagan s God and Country Tom Freiling sets the record straight by giving you portions of every meaningful address Reagan gave in his public life about God religion and morality You ll discover how Reagan s moral compass was guided by an enduring faith in God and an optimistic faith in his fellow man This is the first book to look at Reagan s spiritual oratory It s the Great Communicator at his best

**The Presidents & Their Faith** Darrin Grinder,Steve Shaw,2012-03-21 The old adage never discuss religion and politics is roundly rejected in this incisive exploration of presidential history and religious faith The Presidents religious instruction was the responsibility of religious societies not the civil state What drove Washington to make that argument and what if he had lost Who wouldn t feel like the exasperated FDR when he said I can do almost everything in the Goldfish Bowl of the President s life but I ll be hanged if I can say my prayers in it It bothers me to feel like something in the zoo being looked at by all the tourists in Washington when I go to church No privacy in that kind of going to church and by the time I have gotten into that pew and settled down with everybody looking at me I don t feel like saying my prayers at all But even more importantly what s real what s a show and why does it matter when it comes to faith and politics These questions and more are unpacked and examined leading to a whole new understanding of how religion and politics interfaced through America s history and how they will play out in our future In this climate of religious and political tensions The Presidents Their Faith casts a civil yet entertaining and insightful spotlight on the unique mix and frequent mix ups of politics and religion in America

*Miracles of the Old Testament* Alonzo Gaskill,2023-02-02 Beginning with the Creation the Old Testament contains a wealth of examples that showcase the Lord s power on earth Now you can find out what these miracles mean by examining their hidden symbolism and historical contexts Develop a greater appreciation for these miraculous moments and a deeper faith in the One who made them possible

The Enduring Reagan Hugh Hecl,James W.

Ceaser, George H. Nash, Stephen F. Knott, Paul G. Kengor, Andrew E. Busch, Stephen F. Hayward, Michael Barone, 2009-09-04 Essays on the fortieth president and how he changed our world Hands down the finest compilation on Ronald Reagan that exists Robert G Kaufman author of In Defense of the Bush Doctrine A former Sunday school teacher and Hollywood actor Ronald Reagan was an unlikely candidate for president but his charisma conviction and leadership earned him the governorship of California from which he launched his successful bid to become the fortieth president of the United States in 1980 Reagan s political legacy continues to be the standard by which all conservatives are judged In The Enduring Reagan editor Charles W Dunn brings together eight prominent scholars to examine the political career and legacy of Ronald Reagan This anthology offers a bold reassessment of the Reagan years and the impact they had on the United States and the world Includes contributions by Charles W Dunn Hugh Heclo James W Ceaser George H Nash Stephen F Knott Paul G Kengor Andrew E Busch Steven F Hayward Michael Barone Ronald Reagan's Journey Edward Yager, 2006-05-08 In this new work Edward Yager examines Ronald Reagan s political development from New Deal liberal to conservative Republican Yager assesses the influences that provoked Reagan s transformation beginning with the core values that he acquired during his youth and their relationship to his later political development Throughout his lifetime Reagan s family and friends played a significant role in debating political ideas and advancing Republican arguments Ronald Reagan s Journey focuses on these important relationships as well as the intellectual influences on Reagan s politics during the 1950s In tracing Reagan s political development Yager argues that Reagan s presidency cannot be fully understood and evaluated without significant attribution to the spiritual political and economic beliefs that he formed during his journey from Democrat to Republican Religion and the American Presidency Mark J. Rozell, Gleaves Whitney, 2017-09-21 This book chronologically analyzes thirteen key US Presidents from Washington to Trump to highlight how religion has informed or influence their politics and policies For years leading scholars have largely neglected religion in presidential studies Yet religion has played a significant role in a number of critical presidencies in US history This volume reveals the deep religious side to such presidents as Truman Eisenhower and Reagan among others and the impact that faith had on their administrations Now in its third edition this work also provides a fresh look at the legacy of Obama s faith based administration as well as a new chapter on the 2016 Trump campaign s dependence on religious voters to provide a timely update to a key text in the study of religion and the presidency **An Empire of Ideals** Justin D. Garrison, 2013-03-05 Justin D Garrison provides an original and groundbreaking analysis of Ronald Reagan s imagination as it was expressed mainly in his presidential speeches He argues that the predominant strain of Reagan s imagination is chimeric that is imbued with a high degree of optimism romantic dreaminess naivet and illusion Reagan spoke often about religion democracy freedom conservatism progress America s role in the world the American people the American Founding and peace These are for him important symbols which together express his general vision of politics and human existence These symbols have to be analyzed in depth in order to understand

who Reagan really was and what he represented to his admirers The book concludes that Reagan's vision contains many dubious elements that present dangers for practical politics and claims that the popularity of Reagan's imagination among Americans suggests a problematic self-understanding Surpassing existing works on Reagan's ideas and speeches this book systematically explains the general quality and major components of Reagan's vision and it draws upon political theory aesthetics and American political thought to analyze his imagination *The Reagan Presidency* Paul Kengor, Peter Schweizer, 2005-04-29 In this important new volume editors Paul Kengor and Peter Schweizer bring together original essays from leading scholars who examine topics as varied as Iran Contra abortion the Cold War governmental management and economic policy Through critical analysis these essays *The Faith of Ronald Reagan* Mary Beth Brown, 2011-01-17 The New York Times bestselling author's biography reveals that President Reagan's greatest virtue wasn't allegiance to country but allegiance to God With warmth and insight Reagan biographer Mary Beth Brown delves into the spiritual journey of America's fortieth president and offers profound stories of the provisions God made in his life from his early success as an actor to his historic presidential victory and from surviving an assassination attempt to eventually changing the face of politics and the world Drawing on Ronald Reagan's own words and writings as well as firsthand interviews with his family friends and co-workers Brown weaves a magnificent story that inspires as it informs Reagan's strong devotion to God will encourage believers to enter public service allowing their faith to motivate their actions and will draw focus to Christ's matchless sacrifice which was forever near and dear to President Reagan's heart [Faith and the Presidency From George Washington to George W. Bush](#) Gary Scott Smith, 2006-10-12 Religion has been a major part of the presidency since George Washington's first inaugural address Despite the mounting interest in the role of religion in American public life we actually know remarkably little about the faith of our presidents In this fascinating book Smith takes a sweeping look at the role religion has played in presidential politics and policies Drawing on extensive archival research Smith paints compelling portraits of the religious lives and presidencies of eleven chief executives for whom religion was particularly important *Faith and the Presidency* meticulously examines what each of its subjects believed and how those beliefs shaped their presidencies and in turn the course of our history **11 Principles of a Reagan Conservative** Paul Kengor, 2014-03-03 What would Ronald Reagan do This is a question that infiltrates the many minds of American politicians claiming to be a Reagan conservative As the presidential election rolls around every four years jockeys for the Republican nomination believe that they carry the mantle of Ronald Reagan but it might just be that the ideals of the once great president have been misconstrued So what were Ronald Reagan's true beliefs The real answer to this question may come as a shock to both conservatives and liberals alike In *11 Principles of a Reagan Conservative* biographer Paul Kengor dissects Reagan's presidency by analyzing his speeches and actions and comes to decisive conclusions to paint a full and accurate picture of what his beliefs truly were Freedom Faith Family Sanctity and Dignity of Human Life American Exceptionalism The Founders

Wisdom and Vision Lower Taxes Limited Government Peace Through Strength Anti Communism and Belief in the Individual It s these 11 principles that lie at the crux of Reagan s conservatism *Religion, Race, and Barack Obama's New Democratic Pluralism* Gastón Espinosa,2013 Annotation This edited volume demonstrates how Obama charted a new course for Democrats by staking out claims among moderate conservative faith communities and emerged victorious in the presidential contest in part by promoting a new Democratic racial ethnic and religious pluralism **An American History Lesson and a Wake up Call for America** Jack B. Walters,2013-07-25 These articles and book reports have been written in the hope that readers could believe as I do that the world including our country is in great danger for multiple of reasons 1 The spread of adherents to Islam threaten to engulf all persons of different faiths They are winning through violence but also just by having more babies than every other culture The leaders of Europe and America refuse to accept how evil this belief system is and how they have only one agendaand that is to have dominion over all nations 2 Our Constitution has been destroyed by the administration of President Obama and the Supreme Court He does whatever he wants regardless of the Congress The Court extended the commerce authority to allow the government to force citizens to purchase a service and allowed the corporations to spend anything they want to affect the outcome of elections 3 We are drowning in debt but continue to add costly programs making it even worse without making any attempt to reduce the strain Military adventures continue without end Government handouts to the so called needy have created a permanent underclass of people being supported while not required to put forth effort 4 The government refuses to take the steps needed to become energy efficient which could be accomplished easily thereby freeing us from OPEC For those of you who dont remember in the 50s we exported oil **God and Mrs Thatcher** Eliza Filby,2015-02-24 A woman demonised by the left and sanctified by the right there has always been a religious undercurrent to discussions of Margaret Thatcher However while her Methodist roots are well known the impact of her faith on her politics is often overlooked In an attempt to source the origins of Margaret Thatcher s conviction politics Eliza Filby explores how Thatcher s worldview was shaped and guided by the lessons of piety thrift and the Protestant work ethic learnt in Finkin Street Methodist Church Grantham from her lay preacher father In doing so she tells the story of how a Prime Minister steeped in the Nonconformist teachings of her childhood entered Downing Street determined to reinvigorate the nation with these religious values Filby concludes that this was ultimately a failed crusade In the end Thatcher created a country that was not more Christian but more secular and not more devout but entirely consumed by a new religion capitalism In upholding the sanctity of the individual Thatcherism inadvertently signalled the death of Christian Britain Drawing on previously unpublished archives interviews and memoirs Filby examines how the rise of Thatcher was echoed by the rebirth of the Christian right in Britain both of which were forcefully opposed by the Church of England Wide ranging and exhaustively researched *God and Mrs Thatcher* offers a truly original perspective on the source and substance of Margaret Thatcher s political values and the role that religion played in the politics of this

tumultuous decade *I Fail to Miss Your Point* Jim O'Bryon,2007 O Bryons new book is packed with quotes trivia historical interest inspiration and wisdom Christian **The Brink** Marc Ambinder,2019-07-30 An informative and often enthralling book in the appealing style of Tom Clancy Kirkus Reviews about the 1983 war game that triggered a tense brittle period of nuclear brinkmanship between the United States and the former Soviet Union What happened in 1983 to make the Soviet Union so afraid of a potential nuclear strike from the United States that they sent mobile ICBMs intercontinental ballistic missiles into the field placing them on a three minute alert Marc Ambinder explains the anxious period between the United States and the Soviet Union from 1982 to 1984 with the Able Archer 83 war game at the center of the tension With astonishing and clarifying new details he recounts the scary series of the close encounters that tested the limits of ordinary humans and powerful leaders alike Ambinder provides a comprehensive and chilling account of the nuclear command and control process from intelligence warnings to the composition of the nuclear codes themselves And he affords glimpses into the secret world of a preemptive electronic attack that scared the Soviet Union into action Ambinder s account reads like a thriller recounting the spy versus spy games that kept both countries and the world in check From geopolitics in Moscow and Washington to sweat caked soldiers fighting in the trenches of the Cold War to high stakes war games across NATO and the Warsaw Pact Ambinder s account of a serious threat of global annihilation is spellbinding a masterpiece of recent history Publishers Weekly starred review *The Brink* serves as the definitive intelligence nuclear and national security history of one of the most precarious times in recent memory and shows the consequences of nuclear buildups sometimes careless language and nervous leaders Now more than ever those consequences matter USA TODAY **Stress and Peace** Stanley V. Johnson MBA,2013-06-21 We are all looking for life to be joyful happy and at peace Life is not easy and can be very complicated The simpler we make our life the easier it becomes We have mentioned numerous ways to overcome stress and accomplish peace We may never accomplish complete peace but we will feel less stress and more at peace during our life It all depends on how we manage our life relationship with God family friends and others We face ups and downs in life which we must learn to accept positively and live with contentment Life becomes more joyful hopeful and peaceful when we learn to love others as they are The more we love others the better our life becomes and will provide us more peace and less stress We share our time talent and resources with others in need We start feeling good about our life and feel more peaceful God created us with sufficient time talent and resources to lead a peaceful life Along with this He gave us freedom to lead the life we want We have been given a choice of living our own way or choosing a life with Him We see it happen all around us and all throughout the world that sometimes we try to live without Him Time does not wait for anyone and we are allowed only a limited time on Earth It is essential that we live the best we can for us and others We do not know when life will end However we must live in happiness peace and hope and when our time comes we will be at peace
