Wacker,2000 The inaugural volume of the ECC series provides a fresh readable translation of 1 and 2 Timothy together with notes and commentary on this highly relevant section of Scripture The Notes section of the commentary offers detailed philological analysis of the majority of the words used in these two Pastoral Epistles The Comment section guides readers through the complex theological historical and practical issues facing the heirs of Paul in the Christian church The issues treated in 1 and 2 Timothy have a remarkably modern ring to them Addressing such contemporary topics as the qualifications for church leadership the roles of women the use of wealth heterodoxy worship and ethics these Pauline letters remain highly relevant to church life today This new volume not only offers the best of current biblical scholarship on Paul's letters to Timothy but also demonstrates the high standard of excellence marking the ECC series     Two Years in Outer Galaxy Tegegne Wassie,2020-09-03 Two Years in Outer Galaxy By Tegegne Wassie Destiny is not what you can make or change there are natural conditions beyond your challenge A man unintentionally stepped on a wrong spot to find himself in a new city in a new land in a new world called Biqat in an outer galaxy Fortunately the world he ended up in was very civilized and had advanced technology He was welcomed treated well and cured of his terminal illnesses that he could not find a cure for on Earth He continued to travel the rest of Biqat a nation of five big planets From there the man explored beyond Biqat Let us share his exciting experiences Knowledge is a collection of experiences Naturally we have acquired knowledge from collected experiences over time We find knowledge conditioned and kept in human cages while raw knowledge is in the open free in the wild outside human cages It has been said that you are what you feed Books are one of the enhancers of experiences and we read them to enhance our experiences and we write books to share our experiences Different experiences give spaces for evaluation and judgments to experiences we accumulate The more we are exposed to different experiences the more critical
