Did God Choose These Women We don't know all their names Some are referred to in Scripture only by their nationality Some are known only by where they lived Some became queens others lived on the fringes of society One gave birth to a nation another gave birth to the Messiah Their culture often overlooked or discounted the contributions of women yet the writers of Scripture found these women and the role they played remarkable to the telling of God's story As we study the lives of the women in the Bible we find important truths that God wants us to grasp They lived in a different world than our own but we find ourselves facing the same issues they faced Yet even more these women show us there is a God who sees us where we are and loves us for who we are He is the one who hovers over all the pages of the Bible shaping lives rescuing hearts healing sicknesses raising what was dead to life and assigning high callings to those who choose to follow him and have faith in him In this ten lesson workbook Max Lucado recounts some of his favorite stories of these ten women Sarah Abigail Esther the Samaritan Woman Mary Magdalene and others and describes what set them all apart EACH LESSON INCLUDES Five daily in depth Bible studies to help you navigate the stories of Scripture Summary points to help you remember the key takeaways from each lesson Daily prayers to help you focus your thoughts and move into your quiet time Weekly memory verses to help you hide God's Word in your heart

*Tears of Love* Wilfred Oyem,2022-05-30 Everybody wants freedom Every nation wants freedom Every organisation wants freedom The press wants freedom From the Garden of Eden to the present day the quest for freedom continues unabated Yet no one has been able to define what freedom really is That makes freedom subjective to individual or societal perception The British Press one of the freest and most powerful in the world has its own perception of freedom And when professed press freedom colludes with perceived society freedom in the climate of political correctness there can only be one result The result is what this book is all about and makes it a must read book for everyone because the British media has the power to influence and alter your perception We know that today s world thrives on information And the speed of information flow is what makes today s world a global village The British media has been at the forefront of global information and has its tentacles spread all over the world However its world view is solely a reflection of British society Thus a globalised world is cocooned into British societal values and norms So somehow you are affected by the freedom experiment originating from Britain
