salvation itself meaningless and divine power akin to little more than meaningless cosmic puppeteering While several works have taken the important step of addressing open theisms scriptural deficiencies in its denial of Gods foreknowledge none have dealt with the vital issue of divine human relationality and how it can be understood in a classical orthodox framework that maintains such foreknowledge Consuming Glory remedies that lack by first providing a fresh critique of open theism using Clark Pinnock s version of it as representative but then offering a reconstruction of divine human relationality centered on the Biblical principle of Christus in nobis Christ in us Christus in nobis is coupled with an outworking of meticulous divine providence that serves Gods own self glorifying orientation It reverses the relational ordering advocated in open theism by grounding human love of God theologically rather than anthropologically Love of God and divine human relationality is established precisely because it is Gods own self love that is providentially given to us and thus reciprocated as believers are brought into adoptive communion with the Triune Godhead Drawing on diverse resources throughout the corpus of historical theology Murphy concludes that divine human relationality can be summarized as God delighting in himself in us

A God of Many Understandings? God's Glory in Salvation through Judgment James M. Hamilton Jr.,2010-11-04 In Exodus 34 Moses asks to see God s glory and God reveals himself as a God who is merciful and just James Hamilton Jr contends that from this passage comes a biblical theology that unites the meta narrative of Scripture under one central theme God s glory in salvation through judgment Hamilton begins in the Old Testament by showing that Israel was saved through God s judgment on the Egyptians and the Caananites God was glorified through both his judgment and mercy accorded in salvation to Israel The New Testament unfolds the ultimate display of God s glory in justice and mercy as it was God s righteous judgment shown on the cross that brought us salvation God s glory in salvation through judgment will be

shown at the end of time when Christ returns to judge his enemies and save all who have called on his name Hamilton moves through the Bible book by book showing that there is one theological center to the whole Bible The volume s systematic method and scope make it a unique resource for pastors professors and students **In Our Own Image** Wesley J. Wildman,2017-12-15 In Our Own Image is a work of comparative philosophical theology It is a study of the roles anthropomorphism and apophaticism play in the construction of conceptual models of ultimate reality Leading scholar Wesley J Wildman considers whether we create our ideas of God He offers a comparative analysis of three major classes of ultimacy models paying particular attention to the way those classes are impacted by anthropomorphism while tracing their relative strengths and weaknesses Wildman provides a constructive theological argument on behalf of an apophatic understanding of ultimate reality showing how this understanding subsumes challenges and relates ultimacy models from the three classes being compared He describes and compares competing ultimacy models fairly and sympathetically The conclusion is that all models cognitively break on the shoals of ultimate reality but that the ground of being class of models carries us further than the others in regard to the comparative criteria that matter most **Andrews University Seminary Studies** Andrews University. Seventh-Day Adventist Theological Seminary,2003 *The Legacy of Jonathan Edwards* Darryl G. Hart,Sean Michael Lucas,Stephen J. Stephen Weaver Jr.,2015-07-15 The life and writings of Hercules Collins provide a window into understanding how seventeenth century Baptists viewed themselves in relationship to historic Christianity and Puritan orthodoxy Collins was not only a respected member of the Particular Baptist community but was also a faithful representative of that community G Stephen Weaver Jr s examination of Collins commitment to historic Christianity and Protestant orthodoxy serves as an opportunity to understand better the doctrinal commitments of seventeenth century English Particular Baptists **God's Greater Glory** Bruce A. Ware,2004 This exploration of the historical Scriptural model of the doctrine of God and His relationship with us also presents a careful refutation of the open theism stance **Battle of the Gods** Robert A. Morey,1989 The first major book that exposes process theology as a heretical revival of plantonic religion Dr Morey gives a solid exegetical and philosophical refutation of process thought and Neo Processian such as the open view of God It is recommended by Walter Martin D James Kennedy John Ankebrerg Norman Giesler etc **The Greatness of our God** Hugh Barber,2012-03-29 The majority of people do not understand the true nature of God Many

today have an incorrect and twisted opinion of who God is what He is like and His reasons for things happening The enemy has worked overtime for centuries speaking lies into the hearts of people about the true character of God Words of lies have become beliefs and strongholds in the minds of many These beliefs sadly keep many away from discovering that He is in actual fact a Great God Additionally by perverting our perception of Him when times get tough people can easily lose heart and walk away But this should not be the case If our foundation in God is strong when the storms of life come we will never doubt God's purpose in using events to mature and strengthen us
