Gog Magog The Devils Descendants:

Gog & Magog Jerry Joseph Pollock, 2009 **GOG and MAGOG** Jerry Pollock, 2011-05 Satan is on a quest to bring about the End of Days in this riveting thriller by Jerry Pollock Satan long banished from Heaven by God begins his quest for world domination in the Garden of Eden where he tempts Eve to eat a fig from the Tree of Knowledge of Good and Evil Traveling forward in time Satan finds himself in present day America where the President and his son Cain are his descendants Standing between Satan and his unholy mission are some unforgettable characters who represent the good in humankind Abel Slobodkin is a righteous young man and doesn't realize it but he has been chosen by God to battle against Satan's evil plans He will clearly need the help of his future mother in law Dr Elizabeth Corsini a brilliant psychiatrist at a Washington DC hospital In the course of treating a mental patient reporter Esther Hirsch Elizabeth begins to realize that Esther's recurring nightmare is not just the product of a troubled mind it is both biblical in nature and represents a covert operation being carried on by the White House Elizabeth soon realizes there is a conspiracy in the works called Code Name Daniel and people involved are turning up dead She realizes she is next to be killed unless she and her sister FBI agent Daniela Corsini trade their information on operation Code Name Daniel for their lives A showdown takes place after the president wins reelection in 2020 and Cain becomes his powerful chief of staff God and Satan order Abel and Cain to fight a duel which takes place against the backdrop of Arlington National Cemetery In a climax that is both harrowing and uplifting God returns to make his presence known to Earth by performing miracles incredible to Him and the hidden meaning of Gog and Magog is revealed Putting God Into Einstein's Equations Marcia Pollock, 2012-04 Putting God Into Einstein's Equations Energy of the Soul is the direct outcome of an unusual and unique collaboration by soul mates Marcia and Jerry Pollock spanning the spiritual and physical worlds Marcia is deceased and her contributions come from the powerful intelligent energy of her Divine soul which is without her physical body in the spirit world Jerry is alive with his Divine soul which is constrained within his physical body on planet Earth Communicating through thought energy telepathy or channeling the authors have written this exquisitely simply explained book in their humble attempt of gratitude to bring new knowledge to the understanding of God's Essence and our world The Creator Himself has endorsed our book TRUTH LOVE AND WISDOM LIE WITHIN THESE PAGES Putting God Into Einstein's Equations Energy of the Soul is a provocative book that will stay with you long after you finish reading it Have you ever wondered about how a psychic contacts a spirit or where God comes from The book answers questions about God the big bang Einstein's Relativity Equations and how they fit in with God's energy soul mates and love the spirit world of souls past lives telepathic thought energy communication channeling removing negative body soul energy intelligence of the soul independent and combined functions of the soul versus the human brain acquiring spirituality miracles resurrection and reincarnation the Devil good and evil science and spirituality Creation and Evolution and how a new soul that God will give us in the future Messianic Age at the End of Days will allow us to live for the eternity

according to Einstein's Equations God is energy and so is our Divine soul Each of us receives a tiny piece of God's virtually infinite energy and the difference between our energy and that of God is simply the enormous difference in order of magnitude when comparing God's energy to ours The behavior of this energy mirrors the equations brilliantly originated and described by Albert Einstein with two exceptions the mass m referenced in Einstein's famous equation $E = mc^2$ is a special Mass M originating in God's energy particles and God's and our soul energy travels at one million times the speed of light c or 186 billion miles per second In fact this Mass is the source of the independent intelligence and sensory properties found in the soul of all human brains Putting God Into Einstein's Equations Energy of the Soul is a provocative and compelling book that weaves together empirical scientific observation academic research and theoretical and theological considerations bolstered by revelatory first hand testimony bearing witness to the existence of the Divine soul in both the physical and spirit worlds Contained in the pages of Putting God Into Einstein's Equations are moving personal reflections on the author's life experiences from the thrill of discovering one's true soul mate to both traumatic and joyous events like a descent into bipolar depression Divine miracles and the pain and loss associated with the death of a loved one Equally explored and discussed are practical first hand experiential techniques for hypnotic spiritual world regression and directing spiritual energy and using light to alleviate negative forces Above all else Putting God Into Einstein's Equations seeks to advance an awareness and comprehension of God drawing upon points of reference as diverse as Qigong and yoga to the word of rabbinical scholars

Demonology and Devil Lore Moncure D. Conway, 2023-12-18 In *Demonology and Devil Lore* Moncure D Conway embarks on an exhaustive exploration of the conceptualizations of evil and the supernatural across various cultures and epochs Through a meticulous synthesis of historical texts folklore and religious doctrines Conway artfully dissects the evolution of the demonological narrative illustrating how societal fears and moral beliefs shape our understanding of the

devil His literary style is marked by its erudition employing a rich vocabulary and a critical lens that invites readers to ponder the intersection of humanity and its shadowy counterparts This work holds particular significance as it reflects late 19th century intellectual currents where scientific skepticism was beginning to contest orthodox religious beliefs thus enriching its context within the broader discourse of supernatural studies Moncure D Conway an American transcendentalist and social reformer was deeply influenced by his background and the tumultuous socio political climate of his time Born into a Virginia family with strong ties to the abolitionist movement he wrestled with the moral implications of society s constructs ultimately channeling his inquiries into this comprehensive examination of demonology His diverse interests which spanned philosophy science and theology provide a profound backdrop to this work allowing for a multidimensional perspective that speaks to both the historical and personal For readers intrigued by the complexities of belief systems and the historical underpinnings of superstition Demonology and Devil Lore is an indispensable addition to the discourse on evil s place in human experience Conway s work not only contributes to our understanding of demonology but also serves as a poignant reflection on the darker aspects of cultural identity It is a compelling invitation to reassess our own beliefs and fears in light of the vast tapestry of human thought

The Mythology of the Devil Moncure D. Conway, 2020-12-17 The Mythology of the Devil is a work on demonology which analyzes how different cultures and religions have interpreted demons and devil along history The author s survey of myths folktales superstitions and rituals across cultures is very methodical Each topic is thoroughly researched and it is explained how a certain theme is viewed in demonic myths throughout the world The book is a kind of a treatise on the historical development of the idea of Evil

Cassiodorus, Jordanes and the History of the Goths Arne Søbø Christensen, 2002 This book is a study in the myth of the origins and early history of the Goths as told in the Getica written by Jordanes in AD 551 Jordanes claimed they emigrated from the island of Scandza Sweden in 1490 BC thus giving them a history of more than two thousand years He found this narrative in Cassiodorus Gothic history which is now lost The present

study demonstrates that Cassiodorus and Jordanes did not base their accounts on a living Gothic tradition of the past as the *Getica* would have us believe. On the contrary they got their information only from the Graeco Roman literature. The Greeks and Romans however did not know of the Goths until the middle of the third century AD. Consequently Cassiodorus and Jordanes created a Gothic history partly through an erudite exploitation of the names of foreign peoples and partly by using the narratives about other peoples history as if they belonged to the Goths. The history of the Migrations therefore must be reconsidered.

The Spiritual Expansion of Medieval Latin Christendom: The Asian Missions James D.

Ryan, 2017-03-02 During the thirteenth and fourteenth centuries religious zeal nourished by the mendicants sense of purpose motivated Dominican and Franciscan friars to venture far beyond Europe's cultural frontiers to spread their Christian faith into the farthest reaches of Asia. Their incredible journeys were reminiscent of heroic missionary ventures in earlier eras and far more exotic than evangelization during the tenth through twelfth centuries when the western church Christianized Eastern Europe and Scandinavia. This new mission effort was stimulated by a variety of factors and facilitated by the establishment of the Mongol Empire and as the fourteenth century dawned missionaries entertained fervent but vain hopes of success within khanates in China, Central Asia, Persia and Kipchak. The reports these missionaries sent back to Europe have fascinated successive generations of historians who analyzed their travels and struggled to understand their motives and aspirations. The essays selected for this volume drawn from a range of twentieth century historians and contextualized in the introduction provide a comprehensive overview of missionary efforts in Asia and of the developments in the secular world that both made them possible and encouraged the missionaries hopes for success. Three of the studies have been translated from French specially for publication in this volume.

Behold, I Come Quickly Stephanie M. Perry, 2018-11-19 The Book of Revelation contains the exact events that will take place in the last days leading up to the Second Coming of Jesus Christ and beyond. Yet many people struggle to understand its chronology failing to put together all of the scriptures concerning the last days. Fortunately this book thoroughly explains not only Revelation's timeline but the symbols that encrypt this amazing book. You will discover the truth about the Great Tribulation, find out who Mystery Babylon truly is and what God's purpose is for all these things that will come to pass.

The Making of New World Slavery Robin Blackburn, 2010-08-02 The Making of New World Slavery argues that independent commerce geared to burgeoning consumer markets was the driving force behind the rise of plantation slavery. The baroque state sought successfully to feed upon this commerce and with markedly less success to regulate slavery and racial relations. To illustrate this thesis Blackburn examines the deployment of slaves in the colonial possessions of the Portuguese, the Spanish, the Dutch, the English and the French. Plantation slavery is shown to have emerged from the impulses of civil society not from the strategies of individual states. Robin Blackburn argues that the organization of slave plantations placed the West on a destructive path to modernity and that greatly preferable alternatives were both proposed and rejected. Finally he shows that the surge of Atlantic trade predicated on the murderous toil of the

plantations made a decisive contribution to both the Industrial Revolution and the rise of the West
