**Going Straight** Paul Karsten Fauteck, 2001-02-05 A roadmap from the gutters of society to respectability and success For those seeking a straight life it describes what they must change about themselves and the hazards they must avoid For anyone interested in crime punishment and rehabilitation it provides an unprecedented look into the minds of offenders Bluntly acknowledges the existence of unfairness and hypocrisy in society but not with bitterness or self pity Rather it puts these in perspective and shows how the individual offender CAN change and build a respectable life in spite of the barriers and pitfalls The author has seen criminal justice and corrections all the way from the cold floor of a solitary cell to the courtroom as an expert witness Without mincing words and with a touch of humor he turns this experience to the service of both the offender and society as a whole Personal note Today is November 28 2010 so GOING STRAIGHT has been available for almost ten years I ve received numerous letters and emails from readers telling how they ve used it to help themselves and others Not a single one has told me that he or she considered it a waste of time and money Whatever your own situation whether you re in a cell sweating out a parole hearing or a corrections officer or teacher or you care for someone trapped in a criminal lifestyle or an activist pushing for more rehabilitation oriented corrections or interested for any other reason I sincerely hope you also find this book helpful My main interest is not the royalties they just help offset SOME of the cost of my websites and other rehabilitation efforts My goal is to know when it s my time to leave this world that there are a few people whose lives are better because I was here PKF
