Go the Fuck to Sleep Adam Mansbach, 2011 A gift book for parents that will have them laughing even as they cry Seriously, Just Go to Sleep Adam Mansbach, 2014-09-11 Now there's a version complete with more of the gorgeous yet weirdly subversive illustrations The best part It's still funny The rhythms the plodding rhymes the illustrations the clever play on the overused trope of the world at bedtime they all work together to take Seriously Just Go to Sleep beyond parody and into the realm where good children's books belong things that parents and children can honestly come to from different places and enjoy together I can imagine reading Seriously Go to Sleep nightly and even to the point where you're begging the child to choose something else the ultimate compliment for a picture book and yet still finding something to enjoy It captures a different zeitgeist of modern parenting New York Times From the team that touched off the irreverent humor trend Go the F k to Sleep author Adam Mansbach and illustrator Ricardo Cortés comes a new kid friendly version of their instant comic classic Seriously Just Go to Sleep brings children in on the joke helping them understand their own tactics and why their parents just want them to go to sleep Publishers Weekly Critical success for the original Go the F to Sleep a 1 best seller at New York Times Amazon.com Wall Street Journal Publishers Weekly and many more Seriously Just Go to Sleep is the G rated traditional sized children's version of the book every parent has been talking about Go the F to Sleep the picture book for adults became a cultural sensation by striking a universal chord for parents Now Adam Mansbach and Ricardo Cortés reunite with Seriously Just Go to Sleep inviting the children themselves in on the joke As parents know kids are well aware of how difficult they can be at bedtime With Cortés's updated illustrations including a cameo appearance by Samuel L Jackson who narrated the audio book version of Go the F to Sleep and Mansbach's new child appropriate narrative the book allows kids to recognize their tactics giggle at their own mischievousness and empathize with their parents' struggles a perspective most children's books don't

capture Most importantly it provides a common ground for children and their parents to talk about one of the most stressful aspects of parenting Seriously Just Go to Sleep came to be when Mansbach read a highly censored rendition of the original book to his three year old daughter and she recognized herself as the culprit and was delighted We were getting a lot of feedback from parents saying that their kids loved the book read in an altered form because they recognized themselves in the character of the mischievous kid who s winning the bedtime battle and thought it was hilarious So we figured we d do a companion volume that lets kids in on the fun

Fuck, Now There Are Two of You (Go the Fuck to Sleep #3) Adam Mansbach,2019-10-01 The third

installment in Adam Mansbach's international best-selling *Go the Fuck to Sleep* series addresses with radical honesty the family implosion that occurs when a second child arrives. If you're a fan of both Larry David and profane children's book parodies, don't even try to curb your fucking enthusiasm. Kirkus Reviews: Adam Mansbach famously gave voice to two of parenting's primal struggles in *Go the Fuck to Sleep* and *You Have to Fucking Eat*, the often imitated, never duplicated pair of New York Times best sellers that ushered in a new era of radical honesty in humor books for parents. But what could possibly be left? Parents, new, old, expectant, and grand of multiple children already knew the answer. Adam discovered it for himself by having two more kids, less than two years apart. *Fuck Now There Are Two of You* is a loving monologue about the new addition to the family, addressed to a big sibling and shot through with Adam's trademark profane truth telling. Gorgeously illustrated and chock full of unspoken sentiments channeled directly from the brains of parents worldwide, *Fuck Now There Are Two of You* articulates all the fears and frustrations attendant to the simple, math-defying fact that two is a million more kids than one. As you probably know by now, you shouldn't read it to a child. **No Kids Allowed** Michelle Ann

Abate, 2020-10-13. Children's literature isn't just for children anymore. This original study explores the varied forms and roles of children's literature when it's written for adults. What do Adam Mansbach's *Go the F*ck to Sleep* and Barbara Park's *MA There's Nothing to Do Here* have in common? These large-format picture books are decidedly intended for parents rather than children. In *No Kids Allowed*, Michelle Ann Abate examines a constellation of books that form a paradoxical new genre: children's literature for adults. Distinguishing these books from YA and middle-grade fiction that appeals to adult readers, Abate argues that there is something unique about this phenomenon. Principally defined by its form and audience, children's literature, Abate demonstrates, engages with more than mere nostalgia when recast for grown-up readers. Abate examines how board books, coloring books, bedtime stories, and series detective fiction, written and published specifically for adults, question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive.
