God Is Relevant Finding Strength And Peace In Today's World:

God Is Relevant Luis Palau, 2010 **God is Relevant** Luis Palau, 1997 In this intriguing work internationally renowned author and public speaker Luis Palau tackles what noted historian Will Durant calls the greatest question of our time whether we can live without God In this book readers will tackle the difficult but timely questions Is God relevant If not what are our options If God is relevant how Luis Palau shows how God is not an outdated idea but a powerful personal force that can transform our troubled times and guide us into the coming millennium **The Supernatural and the Circuit Riders** Rimi Xhemajli, 2021-06-22 In *The Supernatural and the Circuit Riders* Rimi Xhemajli shows how a small but passionate movement grew and shook the religious world through astonishing signs and wonders Beginning in the late eighteenth century early American Methodist preachers known as circuit riders were appointed to evangelize the American frontier by presenting an experiential gospel one that featured extraordinary phenomena that originated from God's Spirit In employing this evangelistic strategy of the gospel message fueled by supernatural displays Methodism rapidly expanded Despite beginning with only ten official circuit riders in the early 1770s by the early 1830s circuit riders had multiplied and caused Methodism to become the largest American denomination of its day In investigating the significance of the supernatural in the circuit rider ministry Xhemajli provides a new historical perspective through his eye opening demonstration of the correlation between the supernatural and the explosive membership growth of early American Methodism which fueled the Second Great Awakening In doing so he also prompts the consideration of the relevance and reproduction of such acts in the American church today *The Case for Faith* Lee Strobel, 2021-12-14 This timeless compelling and thought provoking book on the Christian faith now updated includes two all new chapters a current list of recommended resources for further study and a new discussion guide In *The Case for Faith* bestselling author journalist and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God the eight heart barriers to faith Since evil and suffering exist a loving God cannot Since miracles contradict science they cannot be true Evolution explains life so God isn't needed God isn't worthy of worship if he kills innocent children It's offensive to claim Jesus is the only way to God A loving God would never torture people in hell Church history is littered with oppression and violence I still have doubts so I can't be a Christian This bestselling book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path For Christians it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends or during the hardest of times when they have to defend their faith to themselves in moments of doubt Also available *The Case for Faith* Spanish edition kids edition and student edition Plus be sure to check out Lee Strobel's entire collection of *Case for* books *The Case for Christ* investigates the historical evidence for Jesus *The Case for a Creator* explores the scientific evidence for God *The Case for Grace* uncovers the how and why behind God's amazing grace and more *The Publishers Weekly*, 2001 *Adventist Review*, 1998 [Stanley Zinbarg Source of My Strength and Finding](#)

Peace Charles Stanley, 2009-08-30 The Source of my Strength For those who grieve he offers comfort For those who struggle he offers rest For those overcome by pain he offers hope and healing To those who carry emotional burdens too large for them to bear Christ offers his strength In The Source of My Strength Dr Charles Stanley talks honestly about his own journey through emotional pain and points readers toward the wellspring of strength He shares his own experiences with grief and shows readers how to overcome the pain understand the burdens confront memories and discover the courage and strength to live freely in God's love for them Written from the heart The Source of My Strength is one of Dr Stanley's most personal and triumphant books Finding Peace In times of crisis and confusion Dr Charles Stanley has learned the one phrase that can carry him through God You are in control The peace he has experienced in life stems from that foundational belief In Finding Peace Dr Stanley shares with readers how they too can experience an unshakeable peace which passes all understanding Filled with encouragement to lift the soul Finding Peace offers insight on what causes us to live without God's peace in our lives and how we can reverse course and open our hearts to receive it Also Stanley gives his perspective on the things that hinder peace including the Four Great Hallmarks of God's Peace and Five Essential Beliefs for a Peaceful Heart to put the important message of this book into concrete terms Addressing regret anxiety and fear Dr Stanley extends hope for overcoming the obstacles that block peace with the Lord Finally he gives direction on learning to live a life of contentment

[Reviews in Religion](#) ,1999 **Measures of Spirituality/Religiosity—Description of Concepts and Validation of Instruments** Arndt Büssing, 2019-04-23 Why do we need more questionnaires to measure aspects of spirituality religiosity when we already have so many well tried instruments in use One answer is that research in this field is growing and that new research questions continuously do arise Several of these new questions cannot be easily answered with the instruments designed for previous questions The field is expanding and consequently the research topics Meanwhile several multidimensional instruments were developed which cover existential prosocial religious and non religious forms of spirituality hope peace and trust and several more The disadvantage of these instruments is the fact that some are conceptually broad and often rather unspecific but they might be suited quite well for culturally and spiritually diverse populations when the intention is to compare such diverse groups This is the reason why more research on new instruments is needed as can be found in this Special Issue and to stimulate a critical debate about their pros and cons
