Overflowing Kyle Farran, 2022-02-08 Do you long to be useful to God and hear Well done good and faithful servant Matthew 25:21 Overflowing is born out of ten years meditating on this question Why does God use some people more than others In our zeal to be used by God we have a tendency to rely on doing things for God However when God chose to use certain individuals in the Bible it wasn't because of their effort or abilities God was looking at their heart God still searches hearts You can become a person that is useful to God not because of great things you do but because of a heart that pleases Him When God finds a heart that is fully His He fills it to overflowing

The Ways of the Alongsider Bill Mowry, 2016-06-02 Disciple making can be intimidating You might think that someone who makes disciples has to be a teacher a missionary or someone who is seminary trained Would it surprise you to know that disciple making is just a lifestyle in which you offer people love comfort and encouragement where they live work and play Despite our weaknesses and fears Jesus invites us to participate in the Great Commission by helping people

Willimon,2018-06-19 *Making Disciples* is a 13 session mentor based confirmation

program that pairs confirmands with adult mentors and guides them through a variety of learning experiences that will strengthen the student's understanding of the faith while connecting him or her with the community of believers in a personal way. It can be used as a stand-alone program or in conjunction with your current curriculum as a special experiential unit. This is a confirmation program that is more like a process and less like a reading assignment, more engaging and congruent with the nature of the Christian faith than existing programs. Using an apprenticeship approach to confirmation, Will Willimon produced a series of learning experiences where adult mentors and confirmands are both teachers and learners at the same time. This time-tested approach has been extensively revised and updated for usage in today's churches that take seriously Christ's command to be engaged in disciple-making. The bulk of the Mentor Guide is exactly the same as the Confirmand's Journal. You are encouraged to work through the activities right along with the confirmands and to complete the activities and writing assignments just as he or she does. By working along with your confirmand, you will demonstrate the need to keep learning and growing. Topics explore the basics of Christian faith: God, Jesus, the Holy Spirit, worship, the Bible, gifts, ministry, baptism, spiritual life, death, and resurrection, the church. *The Gospel Conversationalist* Sam Greer, 2018-10-18. People are talking, texting, tweeting, and posting. Whether Twitter to Twitter, Instagram to Instagram, Facebook to Facebook, FaceTime to FaceTime, or face-to-face conversations are happening nonstop. Many conversations are gossip, but the most important conversations center on the Gospel of Jesus. Jesus has called his followers to be Gospel conversationalists, not gossip conversationalists. Do you consider yourself a conversationalist? Does engaging in conversation come easy for you? Or does engaging in conversation terrify you? Whether being conversational comes easy for you or not, any and every follower of Jesus can become a Gospel conversationalist. Jesus was the original Gospel conversationalist. What Jesus said should influence what Jesus's followers say. How Jesus said what he said should influence how Jesus's followers say what they say. When Jesus engaged in one-on-one conversations, he spoke the language of the person with whom he was speaking. Jesus spoke differently to the Samaritan woman than he did Nicodemus. To the woman at the well, Jesus spoke about water to share the Gospel with her. While speaking with Nicodemus, Jesus used the account of Moses lifting up the serpent on the pole to share the Gospel with him. By considering Jesus's conversational approach to sharing the truth of the Gospel, this book seeks to mine through some of Jesus's encounters and one-on-one conversations for applicable principles for becoming a Gospel conversationalist. A Gospel conversationalist is one who like Jesus engages the lost in everyday life. A Gospel conversationalist is one who is working to win people to Jesus. Are you ready to become a Gospel conversationalist?

**The 9 Arts of Spiritual Conversations** Mary Schaller,John Crilly,2016 Love God love people Could evangelism really be that simple Often it doesn't seem so It can feel scary awkward and uncomfortable as we try to navigate loaded questions and different perspectives Even the most faithful of believers sometimes get stumped But can you imagine if we as Christians simply spent time with people who are far from God and provided a safe place to talk about spiritual matters If we listened to them and discovered what was really important to them After all it's what Jesus did And it's what you can do too Drawing straight from the life and ministry of Jesus The 9 Arts of Spiritual Conversations offers simple practices to help you build relationships with people who believe differently Anyone who has read and appreciated Becoming a Contagious Christian or Just Walk across the Room won't want to miss this book on creating a safe space to have natural loving and spiritual conversations with others      **A Field Guide for Everyday Mission** Ben Connelly,Bob Roberts,2014-05-19 Surprise whoever you are you're a missionary If you call yourself a follower of Jesus God calls you his missionary You may never go halfway around the world You may not raise financial support But because of God's gospel work in you you are on mission to people in your work school neighborhood and those in need As everyday missionaries God has sent us to live out his Great

Commission in the ordinary normal all too busy and even most mundane moments of our lives But what exactly does an everyday missionary do Where and when does this everyday mission happen Most importantly how can you possibly share the gospel without killing your relationships Those are the types of questions A Field Guide for Everyday Mission answers for individuals churches small groups Sunday schools and missional communities Many resources exist on missional theory missional leadership and even missional stories But based on their years of helping people tangibly demonstrate the gospel pastors and practitioners Ben Connelly and Bob Roberts Jr have created an immediately implementable resource to help ordinary followers of Jesus put the idea of mission into everyday practice Each day's reading includes a biblical principle that can immediately be put into practice Each reading ends with a few ways to help you live out the principle in your daily life By the end of day 30 you'll have 101 different ways to demonstrate the gospel in your daily life And along the way other practitioners such as Jeff Vanderstelt Rick McKinley and Lance Ford share stories about living on God's everyday mission in their unique context A Field Guide for Everyday Mission is a tool designed for you whether you're newly considering the missional idea whether you've never heard the word before or whether you've spent years trying to figure out how to put that idea into practice

*Triorities* Rich Hatfield, 2010-11 Ask yourself is there a better way to live TRIORITIES challenges you to make the effort to mentally step out of the game for a moment and to consider your life where it has brought you your priorities and where it will probably take you if you stay the course TRIORITIES will help you to consider if there might be a better way to live TRIORITIES is about a life of focus a life of balance and a life that you endeavor to live well and enjoy along the way Are you running from one task to the next but not enjoying any of it Are you climbing ladders only to find the view from the top less than appealing Then I challenge you to take a break from the treadmill of life to look at your life your choices your track record and ultimately your future Ask yourself am I who I want to be Am I all that God intended for me to be Have I tried to be too many things and failed to master any of them If that simple evaluation brings you to a point of realization that maybe there might be a better way to do things then just maybe this is a plan for you to consider TRIORITIES involves simple logic that challenges you to take a three step process to evaluate life develop a plan to become what you want to become and then implement that plan in your life Consider the value of simplicity in setting priorities in a complex world Consider simplicity from a standpoint of being focused on three areas of life that we truly need to properly invest ourselves in and manage accordingly The three priorities of the TRIORITIES lifestyle are God Family and Work

Renovating Holiness Thomas Jay Oord, Joshua Broward, 2015-02-03 This book is a call for change Even more it calls for open conversation about change For too long many in the Church of the Nazarene have considered the doctrine of holiness off limits a sacred cow impervious to all forces of cultural modification and theological renewal It's time for a real change because the church needs renovation These 100 essays from Millennial and Xer leaders explore how holiness might be understood and lived today
