and seek professional advice if in any doubt Never work under a vehicle unless it is properly supported a single jack is not

enough Take care with power tools also regard as potentially harmful fuel lubricants solvents and sealers which should

always be and kept in labelled sealed containers With care and common sense the practical owner can make an excellent job

of maintenance and overhaul The benefits include money saved and the satisfaction of work well done You will be adding to

your knowledge too knowing more about the vehicle you own will help you to make logical decisions about what needs to be done even if it does in some instances have to go into a professional repair shop The Volkswagen Transporter T4 is a vehicle that will respond to careful regular servicing and is built to a standard that will ensure a long life if this is remembered
