three volume eBook Collection pulls together two bestselling biographies one of author Margaret Mitchell and one of film star Vivien Leigh and combines them with The Complete Gone with the Wind Trivia Book to give readers a deep insight into the lives of those who created this timeless masterpiece      **Olivia de Havilland and the Golden Age of Hollywood** Ellis Amburn,2018-09-01 This is classic Hollywood history as told through the life and career of one of its most iconic actresses The book benefits tremendously from the author s meeting with Olivia de Havilland after he was assigned to handle her projected memoir at the Delacorte Press in 1973 Amburn also knew many of the key figures in her life and career a veritable pantheon of Hollywood royalty from the 30s 40s and 50s Jimmy Stewart George Cukor and David O Selznick and he was an editor at William Morrow when the company published the autobiography of de Havilland s difficult sister Joan Fontaine Superbly researched and full of delicious anecdotes about Clark Gable John Huston Vivien Leigh Laurence Olivier Montgomery Clift Errol Flynn David Niven and Bette Davis particularly the bloody bone crunching fistfight Flynn and Huston waged over Olivia this book not only profiles one of the finest actresses of her time but also the culture of the film industry s Golden Age It details de Havilland s relationships with the men who sought her Howard Hughes Jimmy Stewart Errol Flynn John F Kennedy Burgess Meredith and John Huston as well as her friendships with Grace Kelly British Prime Minister Edward Heath Ronald Reagan Victor Fleming and Ingrid Bergman Here too are the fabulous and often surprising back stories of her 49 films including Gone With the Wind The Adventures of Robin Hood The Snake Pit Hush Hush Sweet Charlotte and the two for which she won Oscars The Heiress and To Each His Own The account of the filming of Gone With the Wind is unique in that the author interviewed many of the people involved in the epic making of this masterpiece as Lois Dwight Cole who discovered the novel producer David O Selznick director George Cukor agents Kay Brown and Annie Laurie Williams Radie Harris Vivien Leigh s closest friend in the press and both Edie Goetz and Irene Mayer Selznick daughters of Louis B Mayer head of MGM the studio that funded released and ended up owning Gone With the Wind Also included in this biography are Olivia s adventures with Bette Davis They appeared together in four movies and Davis tried to destroy her but Olivia stood up to Davis as no other actress had ever dared to do She won Davis s respect and by the time they made their biggest hit Hush Hush Sweet Charlotte a lasting friendship had blossomed Undertaking a joint national publicity tour they attracted mobs of boisterous fans and in private reminisced about the Golden Age of movies evaluated the current crop of stars and exchanged observations about love goddesses nudity and parenthood      **Focus On: 100 Most Popular United States National Film Registry Films** Wikipedia contributors,      [Moral Rights, Creativity, and Copyright Law](#) Sarah Hook,2023-12-29 This book argues that moral rights provisions in copyright law rest on a misunderstanding or romanticisation of the role of the author The Romantic conception of authorship as a lone genius creating from nothing sensitive and vulnerable has helped publishers push for strong copyright reform But is this conception borne out in practice especially in a world of meme culture of artificial intelligence generated art and poetry and of open source and fan fiction

This book probes the romantic vignette of the author through its legal adoption Moral rights are rights that attach to the non economic for example intellectual or emotional interests of an author in their work Much like defamation moral rights see the right of reputation as superior to the right of freedom of expression However unlike defamation moral rights are not protecting against defamatory actions against a person In most jurisdictions they are provisions set within copyright regimes regimes whose purpose is to incentivise innovation Challenging the way we think about authorship and how it should be protected by law the book draws on a wide range of historical and contemporary examples to demonstrate how moral rights can constitute a barrier to transformative creativity While authors and artists require strong rights to protect their ability to earn an income and incentivise creativity moral rights the book argues may in turn actually harm their ability to do so This timely criticism of moral rights will appeal to researchers students policy makers and lawyers working in the area of intellectual property law as well as legal theorists sociolegal scholars and legal historians with relevant interests
