Good Words Memorializing Through A Eulogy:

Good Words Beth L. Hewett Ph.D.,2014-06-25 The author a certified grief counselor combines academic expertise with her own and others personal experiences in this helpful resource She thoughtfully directs grief stricken readers through the steps to create a moving truthful speech Kirkus Indie Review The eulogy its not about the bowling scores Its about who our loved ones werethe human qualities virtues and noble deeds that made them people of value in the world *Good Words Memorializing through a Eulogy* teaches how a eulogy can help us in difficult times of grief Dr Hewett shares how eulogies can be written at the time of death before a loved one has died and shared with him or her and even years later as a way to remember and honor an important person in our lives This book walks readers through the writing process to help them develop powerful and personal eulogies based on time honored strategies It also teaches readers how to deliver the eulogy effectively *Good Words* is full of useful information about eulogies such as how and when to include children in the ceremony how to write eulogies for difficult situations like suicide or strained relationships how to revise and polish a eulogy after the funeral or memorial ceremony and how various religious perspectives from a wide variety of spiritual traditions might influence the eulogy This book offers contemporary twists on classical eulogy writing including using websites and YouTube to deliver the good words Like no other book on the market *Good Words* assists readers with writing their own good words of praise blessing and honor upon the death of a loved one

Good Words Beth L. Hewett, Ph.D,2014-06-24 This book walks readers through the writing process to help them develop powerful and personal eulogies based on time honored strategies It also teaches readers how to deliver the eulogy effectively *Good Words* is full of useful information about eulogies such as how and when to include children in the ceremony how to write eulogies for difficult situations like suicide or strained relationships how to revise and polish a eulogy after the funeral or memorial ceremony and how various religious perspectives from a wide variety of spiritual traditions might influence the eulogy

More Good Words Beth L. Hewett Ph.D.,2014-06-25 Hewett provides generously varied approaches to living with the death of a loved one reflecting her belief that grief is a process that connects body mind and spirit The book is designed to provide an array of constructive creative ways for mourners to spend their time as they move toward adjustment and reconciliation Readers may select the ones most compatible with their own beliefs and lifestyles Kirkus Indie Review When grief hits we hurt What can we do about the pain of grief Dr Hewett explains that grief and mourning are not the same thinggrief is passive it happens to us and mourning is active we do something with the grief *More Good Words Practical Activities for Mourning* teaches that grief is deeply related to love It encompasses a broad spectrum of emotions as a reaction to a loss like death Mourning occurs through a wide range of actions that we can take to work with that grief Viewing grief as a hopeful journey rather than an obstacle this book uses five realms of experienceemotional spiritual physical cognitive and socialto provide concrete mourning activities that address grief and lead to hope for healing These activities are ones that readers can do as provided or adapt to fit their own unique

circumstances and grief The book ends with a discussion of practical ways to connect with our dying family members and friends as well as specific actions we can take to help our families mourn when we eventually die More Good Words looks honestly at grief and mourning in North America and offers hope for walking that necessary journey Virtual Collaborative Writing in the Workplace: Computer-Mediated Communication Technologies and Processes Hewett, Beth L.,Robidoux, Charlotte,2010-06-30 This book investigates the use of computer mediated communication technologies and collaborative processes to facilitate effective interdependent collaboration in writing projects especially in virtual workplace settings Provided by publisher **The Suicide Funeral (or Memorial Service)** Melinda Moore,Daniel A. Roberts,2017-05-16 To our knowledge nothing with The Suicide Funeral or Memorial Service Honoring Their Memory Comforting Their Survivors scope and depth has ever been published This is an aid to anyone who will be called upon to do a funeral for the nearly 43 000 suicides in America each year This book is designed to assist clergy chaplains and other faith leaders as they develop sermons and homilies for a funeral service Its mandate is to help those searching for inspiration even though they may feel confused or uncertain undertaking such a daunting assignment Those who plan and lead a funeral service may enable family and friends to understand and participate intentionally in their grief process Clergy can have a significant impact on how people react to the suicide as well as provide comfort and assistance to those left behind on their journey through grief Your leadership will influence how the suicide s bereaved are treated by others in the days weeks and months following the death Because suicide does not discriminate by race socio economic status or religion a broad range of faiths and denominations are represented in this book s sermons services and perspectives *Epidictic Rhetoric* Laurent Pernot,2015-06-15 Speeches of praise and blame constituted a form of oratory put to brilliant and creative use in the classical Greek period fifth to fourth century BC and the Roman imperial period first to fourth century AD and they have influenced public speakers through all the succeeding ages Yet unlike the other classical genres of rhetoric epideictic rhetoric remains something of a mystery It was the least important genre at the start of Greek oratory but its role grew exponentially in subsequent periods even though epideictic orations were not meant to elicit any action on the part of the listener as judicial and deliberative speeches attempted to do So why did the ancients value the oratory of praise so highly In *Epidictic Rhetoric* Laurent Pernot offers an authoritative overview of the genre that surveys its history in ancient Greece and Rome its technical aspects and its social function He begins by defining epideictic rhetoric and tracing its evolution from its first realizations in classical Greece to its eloquent triumph in the Greco Roman world No longer were speeches limited to tribunals assemblies and courts they now involved ceremonies as well which changed the political and social implications of public speaking Pernot analyzes the techniques of praise both as stipulated by theoreticians and as practiced by orators He describes how epideictic rhetoric functioned to give shape to the representations and common beliefs of a group render explicit and justify accepted values and offer lessons on new values Finally Pernot incorporates current research about rhetoric into the analysis of praise
