The Jew Named Jesus Rebekah Simon-Peter, 2013 Author Rebekah Simon Peter says Jesus was born a Jew raised a Jew lived a Jew died a Jew and resurrected a Jew He was no backsliding Jew but an observant Jew He honored and observed the Sabbath and the Jewish holidays But most of all he honored and observed the Torah the Hebrew Bible or what we call the Old Testament How could he do anything but love his own people I believe it's important for the church to own that and to claim it proudly Jesus was Jewish through and through Why is that important I believe how we see name and claim Jesus has

everything to do with how we see name and claim each other Simon Peter an ordained elder in The United Methodist Church was born and raised a Jew first Reform then later Orthodox She challenges Christians to rethink Jesus identity as a Jew and in the process to consider ways traditional Christian theology has contributed to anti-Semitism How can we continue to heal the breaches between Jews and Christians How can the biblical texts enrich our understanding of Jesus as a practicing Jew How can our Christian faith deepen and grow as we consider ways to respect Jesus identity as a faithful Jew *Spiritual Sobriety* Elizabeth Esther, 2016-04-19 It's easy to get high on God in America But is this good religion In a compelling follow up to her memoir *Girl at the End of the World* Elizabeth Esther explores how religious fervor can become religious addiction The evidence is everywhere In families who inexplicably choose to harm their children in order to abide by cultic church doctrine But in ordinary believers too who use God the same way addicts use drugs or alcohol to numb pain alter their mood or simply to escape the realities of this messy unpredictable thing called life If you've ever wondered how a religion that preaches freedom and love can produce judgmental and unkind followers if you've ever felt captive to the demanding God of your own childhood if you've struggled to find contentment without needing another emotional hit from a life changing conference or mountain top experience then *Spiritual Sobriety* is for you The author who grew up in a hyper controlling church cult will help you find hope and rebirth in the ruins of disillusioned faith Filled with stories and warm practical advice *Spiritual Sobriety* offers a gentle path out of the desperate cycles of craving euphoria hangover and into a freer clean and sober faith practice **Healing the Greatest Hurt** Dennis Linn, Matthew Linn, Sheila Fabricant, Sheila Fabricant Linn, 1985 Can a woman still be a mother to her aborted baby Does God send big sinners to hell beyond the reach of our prayers In prayer we receive healing as we experience our ongoing relationship with the deceased Through the Communion of Saints we can *Changing Church* Jann Aldredge-Clanton, 2011-11-01 Through the fascinating stories of pioneering ministers this book reveals a unique picture of progressive changes occurring in the Christian tradition Meeting challenges and overcoming obstacles these twelve diverse ministers are changing the church as they take prophetic stands on gender race interfaith cooperation ecology sexual orientation economic opportunity and other social justice issues Believing in the power of sacred symbolism to shape social reality and to provide a foundation for justice and freedom for all people these ministers lead worship with inclusive language and imagery for humanity and divinity They include multicultural female and male images of the Divine Their stories affirm the connection between this expansive theology and an ethic of justice and equality in human relationships In working from within to change the church these ministers have risked censure by denominational authorities loss of opportunities for promotion to larger congregations or to prestigious denominational positions and even loss of their jobs They have found creative ways to balance advocating for change and working to support the church using their positions as ordained clergy to bring liberating change to the church and the wider culture Healing the Ravaged Soul Sue Magrath, 2017-01-26 Why does God hate me How can I believe in a God who has allowed my suffering These are just two of

the difficult spiritual questions that survivors of child sexual abuse struggle with In addition survivors often have mixed feelings about the church because of perceived judgment and indifference their own shame or their discomfort with certain aspects of worship Of the many after effects of sexual abuse spiritual wounds are the least talked about yet they are central to adult survivors who seek to heal and find faith and meaning in their lives With grace and gentleness this book seeks to answer survivors spiritual questions and address some of the common misconceptions that often develop when young victims attempt to understand what has happened to them *Healing the Ravaged Soul* explores the origins of their spiritual issues with clear psychological insights and guides survivors on a spiritual journey toward healing wholeness and a deeper relationship with God *Healing the Purpose of Your Life* Dennis Linn, Sheila Fabricant Linn, Matthew Linn, 1999 The authors offer ways to help readers discover their special purpose in life through love life circumstances other people and faults that essence which underlies all decisions and activities Full color illustrations *Wellbriety with my Yuchi Traditions* Mark Maxey, 2019-10-27 I began my 12 step work while I was still in prison around 1996 Many weekdays nights and weekend meetings helped immensely with my sobriety Through time I quit working the steps I did not go back to drinking as I had before I did slip have a beer or a glass of wine occasionally I did not however open a bottle a drink till I was blacked out But it does not matter I should have known better as I was born an addict I was raised in a dysfunctional alcohol abusing family I begin to use alcohol as an escape and form of manipulation at age 11 With parental support and agreement The Red Road to Wellbriety presents itself in a cultural context I can relate to AA is a great program almost near 100 years old But our Indigenous brothers and sisters must go through the Wellbriety system As it reconnects lost Indigenous persons with addictions with the traditions and spirituality that made our Nations strong Our nations can become strong again through the Wellbriety program *Dharma Seeds: Extraordinary transformation from a small seed...From the depths of Folsom Prison arose a miracle* Mark Maxey, 2018-10-31 Faced with surmounting odds one prisoner uses his time to embrace meditation What happens is a life transformed and miraculous recovery This story documents the beginnings of the Contemplative Fellowship within prison walls Experience how one can totally change their life through the practice of meditation Journey through a 3 year autobiography of at first a tragic situation turned horrific Through time and spiritual work one prisoner ends up changing not only himself but thousands of others What started at Old Folsom Prison in the early 1990 s with only 5 prisoners ends up 23 years later growing to over 3000 prisoners meditating daily Lives continue to change for the better Making for a more compassionate world *Practicing Peace* Michael John Wood, 2022-04-07 This book is about the practice of peace in daily life We talk about the importance of peace but often struggle to embody it Someone annoys us and suddenly we are embroiled in a vortex of conflict We may ask ourselves How can we live with greater integrity How can we make a positive difference in the world without diminishing others or ourselves The author proposes that practicing peace is not something that we do by heroic effort Christ by pure grace breaks through to us when we least expect it Christ is both

received and hosted in an open space of God's creation This book invites readers on a journey which interweaves theology contemplation and action in intensely practical ways Containing numerous anecdotes and thought provoking questions the book will be a useful resource for church study groups and leadership programs As we explore this embodied spirituality we may discover that the Christlike God's restorative love is transforming us into a people of peace Spiritual Terrorism Boyd C. Purcell,2008-04 This book starts by focusing on Medieval creativity and the first and later attempts at written music from the earliest days on into the Ars Nova period so as to show the eventual evolution to Renaissance triadic counterpoint The second more important focus is on an adapted set of Species exercises with all the benefits of its strict rules The third focus is on freer creativity within the learned rules The final focus is on the English Madrigal and how it bridges to Baroque tonality A prose Appendix historically orients the student with overview summaries of the Renaissance period **Green Church** Rebekah Simon-Peter,2010-09-01 God saw everything that he had made and indeed it was very good Genesis 1:31 Climate change is in the news But what does it mean for Christians and how can they help Green Church answers these questions in ways that are both hopeful and engaging Citing Scripture and science Rebekah Simon Peter weaves in personal stories of Sabbath gardening recycling camping and the power of faith She challenges us to consider our role in the care of Creation and to help save the earth for future generations For a webinar on how to use the Green Church family of products visit www.webinars.cokesbury.com Become a fan at www.Facebook.com/GreenChurch
