Good Luck Anna Hibiscus:

Good Luck, Anna Hibiscus Atinuke,2013-01-15 *Good Luck, Anna Hibiscus!* Atinuke,2023-01-10 It's the dry dusty winter season in Nigeria and Anna Hibiscus is getting ready to visit her Canadian grandmother in the third adventure of Atinuke's lively chapter book series Anna Hibiscus can't wait to visit her grandmother in faraway Canada where she will see snow for the first time But before she goes there's much to do including searching in a department store for clothes to keep her warm in cold weather and saying goodbye to the big family she loves Atinuke's inviting text and Lauren Tobia's expressive drawings capture Anna's life with her parents and grandparents baby brothers and cousins aunts and uncles during the Harmattan season when dust from the Sahara Desert blows everywhere To conserve water the family uses leftover wash water for their garden but Anna learns that some children outside their gate have no water at all Can she do anything to help Once again Anna demonstrates a growing social consciousness said Kirkus Reviews of this third adventure in a warm series that is sure to captivate **The Early Reader in Children's Literature and Culture** Jennifer

Miskec,Annette Wannamaker,2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children's literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children's texts that have been translated and sold around the globe examining them as part of an increasingly transnational children's media culture that may add to or supplant regional ethnic and national children's literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe Too Small Tola and the Three Fine Girls Atinuke,2023-11-07 Too Small Tola lives in an apartment with her clever sister Moji her big brother Dapo and Grandmommy who is very bossy In the first of three endearing new adventures Tola is sized just right to wriggle under the bed and rescue Grandmommy's prized possession when it goes missing Her savvy and math skills save the day when Grandmommy gets sick and when the family can't afford new clothes industrious Tola finds a way with a little help

from Grandmommy to be just as fine as the three fine girls she so greatly admires **Too Small Tola Makes It Count** Atinuke,2024-09-03 In the fourth book of this irresistibly charming series Tola finds creative solutions to her neighbors difficulties but can Tola solve her own problem when her friends call her a liar Lockdown is over and Too Small Tola is happy to be home with her family again in their apartment in Lagos Nigeria Tola loves solving problems in both math and real life and there are plenty of problems for her to tackle in their crowded building Mrs Shaky Shaky is having trouble climbing the stairs to her apartment Mr and Mrs Abdul need someone to watch sweet Baby Jide and Grandmommy needs help deciding what to do on a day out with Tola Luckily Tola has ideas to help everyone But how will Tola solve her own problem the fact that her classmates don t believe she worked for Mr Diamond the famous music star One of the Odidi boys even calls her a liar With support from her family friends and neighbors Tola learns about true friendship and the power of self belief There s no problem too big for Too Small Tola Community wit and love abound in this latest story from award winning author Atinuke with whimsical illustrations by Onyinye Iwu *Too Small Tola Gets Tough* Atinuke,2023-03-21 It s a strange scary time for Too Small Tola when a new virus separates her family but Atinuke s small but mighty heroine proves once again how wise kind and resourceful she can be In ordinary times Tola lives in an apartment in Lagos Nigeria with her clever sister Moji her sporty brother Dapo and bossy Grandmommy Tola is so happy But news of a new virus and a lockdown too sends Moji away in one direction and Dapo in another Then when Grandmommy can no longer go out to work Tola goes instead She works for the wealthy Diamond family and makes new friends among the household staff But even the wealthy have problems and only Too Small Tola is big enough to rise to solve them Brimming with genuine emotion and ultimately reassuring Atinuke s third book to feature the brave and endearing Tola illustrated with zeal by Onyinye Iwu shines with the light of resilience and hope

The Context of Medicines in Developing Countries Sjaak van der Geest, Susan Reynolds Whyte, 2012-12-06 Western pharmaceuticals are flooding the Third World Injections capsules and tablets are available in city markets and village shops from traditional practitioners and street vendors as well as from more orthodox sources like hospitals Although many are aware of this pharmaceutical invasion little has been written about how local people perceive and use these products This book is a first attempt to remedy that situation It presents studies of the ways Western medicines are circulated and understood in the cities and rural areas of Africa Asia and Latin America We feel that such a collection is long overdue for two reasons The first is a practical one people dealing with health problems in developing countries need information about local situations and they need examples of methods they can use to examine the particular contexts in which they are working We hope that this book will be useful for pharmacists doctors nurses health planners policy makers and concerned citizens who are interested in the realities of drug use Why do people want various kinds of medicine How do they evaluate and choose them and how do they obtain them The second reason for these studies of medicines is to fill a need in medical anthropology as a field of study Here we address our colleagues in anthropology medical sociology and related disciplines
