*A Forever Love* James Qualls, G.A. Sarna, 2026-05-26 Trying to picture my life without you is like trying to imagine the sky without blue Could not be anymore true You have come to be my every thought I wake to you I sleep I dream I live for you I can no longer remember my life without you Every thought and memory of my life now has you in it It used to be that I wanted to show you my life and the things that I got to see and do but now I find you in them all You are so deep within my heart and my mind and soul that I have been rewritten I think it is the soulmate bond It's like everything we are has merged I can't look in a mirror anymore and not see you Your song was absolutely perfect trying to picture my life without you I cannot even picture the past anymore because you have updated my software and it is amazing And not being able to give me a card welcome to my world I learned to take advantage of certain things I have some really pretty loving cards that I gathered for you when Hallmark offered a BOGO deal and that is the only reason I was able to send you one I happened to have some extra cash and found a dozen cards that spoke to me about you I knew then that we would be together forever and took advantage of the moment I left a Jolly Roger green apple sticker next to my bed and have it in my mouth as I write this I was organizing things the other day and came across a comic Neil Gaiman wrote 20 years ago I hadn't read Stardust since then and I wanted to revisit his writing So essentially this Valentine's you have given me my third grade

again I have a favorite candy in my mouth there is the song you sent still playing in my head I am reading a comic book in bed and dreaming of the little girl I am in love with So thank you for the best Valentine s Day ever      Good Night Officially

Yeoman James Orvill Raines,2019-03-11 My interest in USS Howorth originated during my thirty three months of duty in the Pacific Fleet destroyer Hamner named after Howorth s gunnery officer killed at Okinawa Lieutenant Henry R Pete Hamner His legacy included the Reader s Digest subscriptions his mother presented each year to the wardroom and crew Later as executive officer in the hydrofoil Plainview exasperated by the endless stream of logs and records demanded by higher authorities I peevishly tested the navy s record system and wrote away for information on Lieutenant Hamner and Howorth I was surprised by the magnitude of the material documenting Howorth s Pacific War ranging from hourly barometric readings and seawater injection temperatures to ammunition effectiveness reports      **Good Night...**

Carl L. Kell,2022-04-13 Good Night Whispers of the Heart is a collection of real love notes covering different themes all thoughtfully composed for the private reading of a partner What you find here are examples of love notes that could be found in bedrooms safety deposit boxes and even the proverbial 20th 21st century shoe boxes all lost to time and rich in meaning Good Night Whispers of the Heart is not a present day version of the 20th century soldier at war writing home or members of the Greatest Generation writing from a theatre of war to tell their beloved that they would be home soon for many sweethearts and wives of wars gone by Johnny did not come marching home Good Night Whispers of the Heart is a collection of everyday working men and women who kept the flame of love burning brightly every day through thick and thin by writing a love note some at length mostly short that their partner for life kept the flame of love burning bright A love note tells the partner that the flame will never go out Often love is barely a pilot light just bright enough to see by and warm enough to calm the worries of the day that came and went Good Night Whispers of the Heart is a reminder that love and appreciation are always in fashion sustaining the ever present fact that the thought to write always counts but the words that envelop the soul never sleep You see a love note lasts all through the night      *The Last Karma*

Ankita Jain,2015-01-07 I was never meant to be a writer but I had the desire to narrate a few incidents and that got the writer inside me working Before you start reading this story I would like to mention that this story is inspired by true events and the fictional changes that have been made are to protect the identity of the people involved However it has no relation whatsoever to anyone bearing the same name or names Becoming a writer from a person belonging to a core technical background wasnt that easy However there are stories that force you to pick up a pen so that people can learn a lesson even without living the same in their own lives All of us do something of our choice but not everyone is aware of the fact that commitment to see something through to completion is the essence of the efforts of a lot of people There are so many people who are responsible in ways big and small for this book being a reality today I couldnt have done it without the support I received from all those people who always played an important role in my life and I know they will always be there To each one of you I pay my humble and most heartfelt thanks
