After the dramatic events of the holiday season Ellie settles into her new life at Max's huge country mansion Braithwaite Manor juggling work and family as best she can. *The Laughing Baby* Caspar Addyman, 2020-04-16. Few things in life are more delightful than sharing in the laughter of a baby. Until now however psychologists and parenting experts have largely focused on moments of stress and confusion. Developmental psychologist Caspar Addyman decided to change that. Since 2012 Caspar has run the Baby Laughter project collecting data, videos and stories from parents all over the world. This has provided a fascinating window into what babies are learning and how they develop cognitively and emotionally. Deeper than that he has observed laughter as the purest form of human connection. It creates a bond that parents and infants share as they navigate the challenges of childhood. Moving chronologically through the first two years of life *The Laughing Baby* explores the origin story for our incredible abilities. In the playful daily lives of babies we find the beginnings of art, science, music and happiness. Our infancy is central to what makes us human and understanding why babies laugh is key to understanding ourselves. *Jonathan's Tales* Tom Kissack, 2024-01-30. Jonathan's Tales Volume 1 is a compilation of 11 magical bedtime stories told verbally to my then 6-year-old son. They are enhanced written transpositions from the audio versions captured on my android phone, numbering nearly 100 recorded stories. A list of additional stories is at the end of this book. The Tales came to life after my son's bedtime toilette and he snuggled in bed arbitrarily drew from his head a binary subject and allowed me several minutes to ponder a story. These Tales, located firmly in the magical realism genre, were told with three principal aims. Firstly, entertainment. Secondly, erudition to increase knowledge on specific items of facts or to whet my son's appetite to seek out more information, the notations referenced at the end of the book for each Tale act as a starting aid. Finally, didactic, a way of subtly introducing a

broader morality into my son's world on an array of subjects including but not exclusively the power of love and friendship of kindness and honesty and the importance of inclusivity recognising we are all as individuals very different
