To Bare Witness to the Truth Scott Dalton Myers, 2021-03-16 If God does exist why is there so much evil in the world Why do bad things happen to good people Why do we suffer so many trials and tribulations in our lives These difficult questions that nonbelievers often use to deny God s existence are addressed in this book with the biblical and religious references and answers Proof and evidence of God s existence surround us everywhere we go if we simply open our eyes and our minds to the truth The miracles and incredible balance in nature the wonder of the human body the intricate structure of our eyes and ears cellular complexity molecular genetics DNA the wonders of the Earth and our universe all point to intelligent design It is beyond belief and comprehension that all of these things could have simply evolved from some freak accident of nature The watchmaker s analogy for intelligent design is a good one and is certainly applicable to the creationism versus the evolution and randomness arguments discussed in this book Jesus performed many miracles that were seen by a multitude of people and recorded by eyewitnesses But there are also records of modern day medical miracles that non Christian doctors cannot explain Additionally thousands of people have chosen to share their near death experiences with a research foundation and virtually all of them reported that they came back with a profound understanding of God s love In an interesting 1982 blind prayer study conducted by the San Francisco Medical Center data suggests that the intercessory prayer to the Judeo Christian God had a beneficial therapeutic effect in patients who were admitted to a critical care unit Although there are many biblical and religious documents that recorded events in Jesus s life there are well over ten independent accounts from outside the biblical record that identify over sixty life events and beliefs about Jesus s life Finally we must look to human nature itself for evidence of the existence of God and his son Jesus Christ Many Christians including Jesus and all but one of his disciples were persecuted horribly tortured and died excruciating deaths because of their belief in God Many people throughout history have been willing to die for what they truly believed in but no one willingly dies for what they know to be a lie Finally how do you approach a nonbeliever and talk with them about faith This is difficult for most people as they feel that they must have some specialized training in order to do so One does not need a special gift to evangelize The mandate to be a witness applies to every follower of Christ This book can help you be a true witness
