The Gospel and Pluralism Today Scott W. Sunquist, Amos Yong, 2015-10-06 This collection of essays explores the legacy of Lesslie Newbigin's classic work *The Gospel in a Pluralist Society* critically analyzing the nature of Western pluralism and discussing the influence of Newbigin's work on the field of missiology By looking backward this volume advances a vision for Christian witness in the pluralistic world of the twenty first century Renewing the Vision Cynthia M.

Campbell, 2000-01-01 The five themes around which Campbell organizes these essays and sermons written by 20 Presbyterian Church USA scholars pastors and church leaders is organized Christology and preaching the church and evangelism missions and service the authority and interpretation of Scripture and ecumenism and the Reformed tradition

21st Century Pastor David C. Fisher, 2010-08-03 The third millennium It's a time of tremendous opportunity for the church and tremendous challenge More than ever pastors need a model for ministry that can equip them for the rigors of a restless increasingly secularized culture In the *21st Century Pastor* David Fisher explores the apostle Paul's concept of ministry to offer a paradigm that is both biblical and relevant Paul's view is fleshed out with examples from Fisher's own twenty five years of pastoral experience presenting a roadmap for today's pastor that is scholarly practical dynamic and inspiring The *21st Century Pastor* first addressees crucial issues of pastoral identity the significance of geography time and ecclesiology It then explores Paul's metaphors for ministry jars of clay farmers and builders servants and stewards and others to reveal an accurate portrait of an effective biblical pastor the kind who will speak to the heart of modern culture rather than languish on its fringes Filling the rare role of a pastor to pastors Fisher's sage insights help pastors answer their own identity questions empowering them to minister to a deeply needy society Says Fisher Pastors who know what time it is will in the name and power of God create communities of faith where the values of the Gospel are embraced taught and lived out

For the Gospel's Sake Boone Aldridge, 2018-04-12 Informed take on the amazing growth of a very unusual missionary organization The two sided mission organization comprising Wycliffe Bible Translators and the Summer Institute of Linguistics is a paradox that begs for an explanation The Summer Institute has long been doing laudable linguistic humanitarian work in many countries while Wycliffe has been one of the largest fastest growing and most controversial Christian missionary enterprises in the world In this wide ranging study Boone Aldridge a religious historian and twenty year insider at WBT SIL looks back at the organization's early years from its inception in the 1930s to the death of its visionary founder William Cameron Townsend in 1982 He situates the iconic institution within the evolving landscape of mid twentieth century evangelicalism examines its complex and occasionally confusing policies and investigates the factors that led despite persistent criticism from many sides to its remarkable rise to prominence Hard Enough Already: Following Jesus in the 21st Century Johnny White, 2021-04-20 Jesus Sermon on the Mount is the most familiar sermon in the world Jesus of Nazareth spoke it over 2000 years ago The Sermon on the Mount provides insight into the authentic Jesus of the bible Jesus

did not come to make things more complicated than they already are by limiting salvation to only a few. Instead, he upheld impossible possibilities that point to the undeniable grace of God for the many. Have you ever asked yourself, Who was Jesus? Is the Bible true? Or how do we know the Bible is true? Then Johnny White's *Hard Enough Already* Following Jesus in the 21st Century could be a good Christian book to explore. It will help you answer, What did Jesus say in the Sermon on the Mount? Jesus' Sermon on the Mount is still a critically important message for followers of Jesus in the 21st century. This brief Christian book addresses every word and topic of the Sermon on the Mount. Jesus is drawing the watching world to remarkable teachable moments about being salt and light citizens in the Kingdom of God on earth as it is in heaven. He also unpacks what the authentic Jesus looks like to those who want to follow him. Jesus pointed to a life more abundant than retribution, revenge, and violence. He told of the Third Way of mercy, forgiveness, and grace that refuses violence yet never fails to confront evil. The author helps people understand who Jesus is today and how to trust in him even amid a crisis of belief. What could be more apropos for a contentious, uncivil time such as this? No matter what happens next.

Christians in the Twenty-First Century George D. Chryssides, Margaret Z. Wilkins, 2014-09-11. *Christians in the Twenty-First Century* examines Christianity as it is understood and practised both by active followers and those who regard themselves as Christian. The book opens with an examination of key Christian concepts: the Bible, the Creeds, the Church, and the sacraments, and the major traditions of Roman Catholicism, Eastern Orthodoxy, and Protestantism, as well as more recent movements. The book continues with an analysis of the challenges presented by the rise of science, new approaches to biblical scholarship, the rise of fundamentalist movements, the ordination of women, secularization, the interfaith movement, and the impact of the electronic revolution.

Religion, Theology, and Class J. Rieger, 2015-12-11. This important collection of essays addresses the question of why scholars can no longer do without class in religious studies and theology, and what we can learn from a renewed engagement with the topic. This volume discusses what new discourses regarding notions of gender, ethnicity, and race might add to developments on notions of class.

Jesus and Well Being Thomas V. McGovern, 2017-06-29. The author begins and ends with the challenging question that many ask today: How do our lives make sense in light of the life of Jesus? Drawing on Jesus's gospel parables and sayings and Paul's letters, each chapter invites readers to explore the virtues of wisdom, love, justice, courage, temperance, and transcendence. Jesus's 1st-century life deserves our continuing study as we develop a truly mindful spirituality for 21st-century well-being. Professor McGovern's distinguished teaching and scholarly life work is clearly evident as he artistically weaves together so many threads to enable the reader to create their own spiritual tapestries. This book will inspire readers with lifelong traditional commitments as well as those who may currently identify as spiritual but not religious. Thought-provoking ideas, pragmatic applications. A good story. Transformative.

The Gaithers and Southern Gospel Ryan P. Harper, 2017-04-26 In The Gaithers and Southern Gospel Ryan P Harper examines songwriters Bill and Gloria Gaither s Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American

music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity

Currie, 2015-08-31 Preparing for ministry involves more than the acquisition of certain skills The shape of a disciple s soul as he or she embarks on this journey is as important if not more so than learning how to exegete a text or engage in pastoral care Ministry is not easy and the preparation for this form of Christian discipleship is open to a variety of temptations not least of which is a kind of despair over the paucity of one s own resources or worse the illusion that one is better off relying on one s own talents and virtues What is needed is bread for this journey not necessarily exhortations to work harder but words of encouragement and grace that bear witness to the surprising reality that ministry is in fact a joyful gift These notes from a dean who sought to help his students discover that joy in their study and preparation bear witness to the One whose life provides bread for every journey especially for the journey of pastoral ministry
