Have You Ever Held A Mountain:

Have you ever Lived in a Mining Town? Winona I Laird, 2007-09-27 Gold Mining Towns could be friendly and home to a family Park City Utah and Victor Colorado a mining town near Cripple Creek provided home and friends to Anna Chambers This book brings all the warmth of yesteryear alive with her tales of growing up in a mining town Anna Chambers relates exciting tales about a fire that destroyed a section of town and left her house smoking but unburned Other tales are sad like the desperate father of a 10 month old girl whose mother has died asking her parents to take the girl You read about social parties courting and falling in love This book provides a snapshot of life hundred years ago when 4 00 a day was top wage in the mines It is full of details things like growing vegetables and storing food Anna tells tenderly of meeting her husband his courtship of her and then their life together You hear about their joy when she finds herself expecting her first child and the sad news in the mine were too much for her husband s lungs More freedom and joy then we can imagine **Catalog of**

The Lost Generation The Sun Also Rises and A Farewell to Arms by Ernest Hemingway The Great Gatsby by Francis Scott Fitzgerald Death of a Hero by Richard Aldington Under Fire The Story of a Squad by Henri Barbusse

After the First World War special people returned to their home towns from the front When the war began they were still boys but duty forced them to defend the homeland Lost Generation as they were called This concept is used today when we talk about writers who worked during the breaks between the First and Second World Wars which became a test for all of humanity and were almost all beaten out of their usual peaceful rut One of the themes that commonly appears in the authors works is decadence and the frivolous lifestyle of the wealthy Writers of the lost generation raise in their works the problem of young people who returned from the war and did not find their home their relatives Questions about how to live how to remain human how to learn to enjoy life again this is what is paramount in this literary movement

Robyn's Gran Jinty, 2012-12-14

Have you ever sat down with your coffee to enjoy a new book to discover it was too flowery or too hard a read for you Well this is definitely not that book this book is full of wee poems written in Scottish slang as the Scots tongue and poetry is close to my heart and would like everyone to enjoy some writings of my home land I am sure you will easily understand without a translator and very easy to read The childrens poems mostly have little moral endings to teach simple lessons like being careful crossing the road keeping your teeth clean and doing as you are asked You will enjoy the exploits of many mischievous woodland beasts along with stories of gnomes and elves Your children will slip off peacefully to sleep and dream their own magical fantasies This book will make you laugh and cry but hopefully most of you will enjoy these easy to read poems
