Oblivio Gate Sean Nevin,2008-11-11 Suffused with lyrical grace and the language of loss Sean Nevin's Oblivio Gate explores the mental and emotional struggles of Solomon a veteran battling the onslaught of Alzheimer's disease Set against Solomon's memories of the Korean War Nevin's poems draw us into an intimate view of a man's confusion as everything he knows slowly unravels around him leaving him abandoned in the suddenly unfamiliar landscape of his own mind Readers experience first hand Solomon's dismay as he watches himself inexorably slip away from reality fighting to hold on to the shreds of his identity Intertwined with his perspective are the voices of loved ones and caregivers who can only watch helplessly as Solomon is ravaged by the illness Also central to the collection are the figures of Aurora and Tithonus the famously doomed couple of mythology whose own happiness was destroyed by the inevitability of age and the betrayal of the body But if this evocative portrait of Alzheimer's disease is tragic it is also at moments inspiring Oblivio Gate reveals not only what is lost but also what is found what is pure and even what is funny in our fleeting lives Ultimately Sean Nevin crafts an unforgettable collection of contemporary poetry that yields heartbreaking insight into memory the mind and an affliction that has left millions lost and looking for themselves
