NOTE:

1. It is recommended that either the 10 way junction box or Sundial Wiring Centre should be used to ensure first time, fault free wiring.

2. If using the V4043H1080 (1" BSP) or V4043H1106 (28mm), the white wire must be electrically isolated.

Honeywell takes all reasonably practicable steps to design and manufacture its products to comply with the requirements of the Health and Safety at Work Act 1974, all products must be properly used and purchasers are reminded that their obligations under the Act are to ensure that the installation and operation of such products, at a place of work, should be safe and without risk to them. These wiring diagrams are for guidance only and at the time of printing represent the latest information available to us from other manufacturers. Honeywell reserves the right at any time and without notice to change any product, specification or any other information contained in this publication and cannot accept responsibility for loss or damage arising out of any action that may thereafter be taken based thereon.
