Honor My Father Really

Brian Simmons, Cheryl Ricker

Honor My Father Really:

Honor My Father Clint Nye, 2019-07-31 *Honor My Father* is a true story of how college men came to the US Navy as reservists instructed by the officers from Annapolis and teamed together. It brings their many personal stories of interactions with my dad, Air Defense Commander, serving on two destroyers, USS Bancroft. It describes how as a new professor working on his Ph.D., this writer entered his teenage years while the two of us moved from the city of Chicago to the small town of Athens, Ohio. After his war experiences, he experienced nothing like the big guns going off in his ear until the hard pounding drums from my new rock and roll band.

Stars That Honor My Father's America Angela Arena, 2011 [Daddy Do You Love Me?](#) Ariel Allison, Shelby Rawson, 2006-08-01 The United States is the world's leader in fatherless families. Marginalized by society into a distant and unemotional role as the family's breadwinner, we are only now beginning to understand the devastating effect of emotionally distant fathers on their daughters' health and well-being and for some even on their spirituality. Millions of women have suffered physical and emotional scars due to absent fathers and have experienced the painful void not having this vital connection has created. Both authors write from personal experience overcoming emotionally distant fathers, offering practical solutions and hope for healing this emotional and spiritual rift. From how to forgive an abusive father, coping with loneliness to nurturing healthy relationships and much more, this book is a tremendously empowering and enriching journey for women out of sadness and pain, breaking a legacy of loneliness and regret to a renewed hope for their lives. Included are chapter questions, pages for journaling, and a list of counseling resources.

Let Me Tell You a Story Elfie F. Salisbury, 2022-03-09 Rarely does a book quite like this one come along. Each story is unique. The stories are true insights into an epic journey of life growing up in a small rural town in Northeast Ohio. In addition, the stories include struggles of a little girl growing up in a Pentecostal church from the 1960s to the present years. Also included are stories about a career in teaching that has spanned thirty-five years, two states, and all grade levels and subjects. The variety of stories may include glimpses into a large, close-knit family of nineteen people. With a family that large, much was happening all of the time. You will read about struggles, triumphs, laughter, and challenges and read encouraging words to inspire you to be a better person. Each page will walk through a moment in time. That moment may be happy, sad, or thought-provoking, but will always leave you to ponder about your own situation. In the midst of it all, you will find a unique focus on God. As you read the stories and understand the background of the author, you will see why the struggles were real. You will understand that if someone can honestly say they have been in your shoes, these stories represent just that.
