**Child Where is My Honor?** Michael B. Annancy, 2023-06-12 Why are some families more blessed than others Why do some families flourish where others fail Pastor Michael Annancy reveals powerful guidelines and truths from scriptures that enforce the success of children and families everywhere When a child understands the importance of honoring their parents and those in authority even when they are past the age of simply obeying what they say although obeying one's parents cannot be separated from honoring one's parents they unlock incredible blessings and the promise of living well and living a long life on earth while breaking the destructive chains in their lives here and now In this book they will uncover how parents can be well informed to follow God's ultimate plan for their lives Children are a blessing from God Parents have a part to play to get them to the point where the children leave home so they can reach and meet their target Just because a parent made it does not mean the child will make it They have to be taught and trained and learn the secret of true freedom for this is right 1

collection of books      *Heaven's Children* Shawna Bennett,2021-08-10 Simon has taken on the task of saving the humans With the help of his handpicked Immortals he will try to create peace for all mankind A world now exists where hunger and crime are a thing of the past and yet the humans remain unsettled The Alliance continues to sabotage his every effort It has become clear that the humans do not trust the Immortals or their sired Sawyer s family must step up to help Simon figure out once and for all if the humans can be saved The clock is ticking and something draws them closer to the conclusion In their separate journeys they discover a plot to destroy them all The family must face enemies from both sides as it becomes clear that not all Immortals are there to help They must face a plot that goes deeper than any of them could have imagined A war is coming and it will have devastating consequences that will ripple through their family for generations to come When the dust finally settles no one will ever be the same especially Sawyer      **A Theoretic Explanation of the Science of Sanctity** Thomas Fessenden,1804      An Anchor for the Soul Ray Pritchard,2011-02-01 People have honest doubts and questions about God that deserve solid answers How do we explain the Gospel of Jesus Christ in a way we can all understand Ray Pritchard has updated this best selling presentation of the gospel in a clear straightforward way using simple language and clear Scripture references An Anchor for the Soul is written with doubters seekers and skeptics in mind In a clear straightforward presentation he answers questions such as What is God like How can I know Him Who is Jesus and what did He do What does it mean to be a Christian Through stories and illustrations Pastor Pritchard very personally yet gently challenges his readers with the Good News of Jesus Christ      Lessons from Heaven's Borderland Bill French,2005-10      **A theoretic explanation of the science of sanctity. ... Containing an idea of God, of his Creations, etc** Thomas FESSENDEN,1804      *A Brother's Honor* Brenda Jackson,2013-05-28 Passion business and family secrets collide in the New York Times bestselling author s romance series debut now a feature film The Granger brothers left their family s Virginia estate years ago Called back home by their dying grandfather they face a failing business a legacy of secrets and a deathbed promise to make things right As the eldest brother attorney Jace Granger is determined to save Granger Aeronautics But the new CEO needs help untangling years of mismanagement Smart sexy Shana Bradford is the right person for the job and the right woman to turn Jace s world upside down But the passion between them is jeopardized when old secrets begin to emerge A woman from Jace s past suddenly reappears And an explosive discovery changes everything Jace thinks he knows about his family s scandalous history Now Jace needs to finally face the past or risk losing his future      RELIGIOUS SYNCRETISM IN AFRICAN CHRISTIANITY ISIAIAH OLUWAJEMIRIYE OLATOYAN,2024-04-18 Christianity among the African people whether on the soil of Africa or in diaspora is perceived and defined differently by different people For instance among African traditional religious people and Muslims Christianity is a foreign religion that must not be allowed to thrive in Africa To several Africans who profess Jesus Christianity is good but it is not adequate and effective enough to handle all human needs Still among some Western Christians and missionaries African Christianity is superficial and lacks

total commitment to Christ Of course the Africans are a cultural people with profound religious inclinations Their traditional religion ATR has tremendously shaped their worldviews and socioeconomic and political activities Consequently when traditional Africans are converted to Christianity they do not break ties with their traditional religions completely The examination of relevant biblical texts on syncretism however reveals that God condemns the worship of many gods and places a curse on anyone who offers sacrifices to carved images and bows to them in worship Therefore this work investigates the root cause of religious syncretism among African people In the attempt to find answers to why the average African Christian finds it difficult if not impossible to abandon his her traditional religious belief systems completely to embrace Christianity the author concludes that unless the issues surrounding the African forgotten and secret covenants are exposed and decisively addressed in the light of biblical teaching syncretism will continue to be a stigma on the fabric of African Christianity Therefore to overcome the threats of syncretism in African Christianity there is a need to establish a sound theological and missiological framework that can address the problems associated with the African worldviews and belief systems This task must be carried out under the searchlight of Scriptures *Honor, Patronage, Kinship, & Purity* David A. deSilva, 2022-10-04 In this thoroughly revised and expanded edition of a milestone study a careful explanation of four essential cultural themes offers readers a window into how early Christians sustained commitment to distinctly Christian identity and practice and with it a new appreciation of the New Testament the gospel and Christian discipleship

*Honouring Mary* Gabriel B. Pidomson, 2017-07-20 What this book reveals God Almighty needed a trusted vessel the right body to channel His salvation plan After centuries of search He did settle on Mary a virgin girl that lived in Galilee who had the perfect body the right attitude and sufficient faith Undeniably an imperfect body would have defiled the divine nature of Christ the wrong attitude would have delayed the salvation plan and an insufficient faith would have jeopardized the entire plan When God found the right body He did not only purify it but He also filled it with infinite grace Indeed the salvific project required maximum precision precision that ought to be multimillion times more accurate than sending shuttles into space Fault tolerance for the salvific mission was zero Mary was not only part of the plan but her body attitude and faith were critical to the success of the entire mission While it is true that God prepared Mary she for the role God respected her freewill and sought her cooperation Unlike Eve she cooperated with God and submitted to His will While many Christians do not give Mary her pride of place their disdain does not diminish the unique role she played in the salvific plan Also their disdain does not diminish the favors she gained from God and made manifest by her divine maternity Indeed Mary is blessed above all women not because we think believe or say so but because it is so Indeed the Mighty One has done great things for her and holy is His Name Pidomson navigates on a very high frequency of spiritual plane I commend him for this excellent treatise on the Blessed Virgin Mary It is an area of Christian doctrine that few venture to explore The author has shown that it is not an impossible task Rev Fr Prof John U Gangwari Catholic Institute of West Africa Pidomson s revelatory book gives

us the enlightened timeless wisdom of Mariology in a way that helps us to rediscover the original meaning and efficacy of time tested devotion to the Blessed Virgin Mary He presents his arguments with clarity and simplicity that transcends theological nitpicking This timeless spiritual message is urgently needed Rev Mesgr Livy Boniko Parish Pastor Immaculate Heart Parish Port Harcourt Nigeria This book is about the Mother of Jesus who has bequeathed to us the lively example of knowing how to continue prodding God for divine compassion and generosity Her intervention in John 2 reveals her to be a catalyst to Jesus extravagant generosity both in quantity and quality that kept the wedding party at Cana in Galilee going These lines beautifully crafted by Dr Gabriel Pidomson encourages us through the example of Mary to know how to nudge God asking what God has in mind for our particular challenges even as She intercedes for us saying They have no wine Rev Msgr Dr Pius Kii Faculty of Canon Law Catholic Institute of West Africa Pidomson s work is a masterpiece The book will go far to touch so many souls believing doubting and seemingly lost I thank God for granting me the opportunity to be thinly associated with this divine message revelation May God bless him for this divine revelation Mr Chris Okonkwo Editor in Chief National Network     Shine Love, Joy, and Peace!
