In a world where reputation is everything, can they find the courage to follow their hearts and embrace a love that defies all odds? *One Moonlit Tryst* is a captivating Regency romance that proves sometimes the most unexpected love stories are the most unforgettable. *Unsettling Sexuality* Jeremy Chow, Shelby Johnson, 2024-10-11. This book is also freely available online as an open access digital edition on Manifold here: <https://openpub.utdel.edu/projects/unsettling-sexuality>. *Unsettling Sexuality: Queer Horizons in the Long Eighteenth Century* challenges the traditional ways that scholarship has approached sexuality, gender nonconformity, and sex, as well as its absence in the long eighteenth century. Drawing from recent and emerging criticisms in Middle Eastern and Asian studies, Black studies, and Native American and Indigenous studies, the collected authors perform intersectional queer readings, reimagine queer historiographic methods, and spearhead new citational models that can invigorate the field. Contributors read with and against diverse European, transatlantic, and global archives to explore mutually informative frameworks of gender, sexuality, race, indigeneity, ability, and class. In charting multidirectional queer horizons, this collection locates new prospective desires and intimacies in the literature, culture, and media of the period to imagine new directions and simultaneously unsettle eighteenth-century studies.
